Please list any S&A funded position that have been vacant longer than six (6) months. If any vacancies exist, please explain how you utilized the funds and what your long term plans are for the position.

Please provide an overview of the student centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

Annual student lobby day: 50 students participated in an all-inclusive Olympia trip to meet with legislators and discuss important student issues. The results was the passage of two major bills that will benefit students (Real Hope Act and Veterans Bill). College Civics Week engaged students and provided them with an opportunity to meet Congressman Dave Reichert. In the fall, we registered over 300 students to vote and provided them with access to vote at the Election Assistance Center where we partnered with the county auditor to have ballot boxes put in the SURC.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.
