Please provide an overview of the student centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

There are currently 24 Collegiate Sport Clubs with over 500 members. Each of these clubs travels and competes against other clubs throughout the region and some nationally. Each year we hosted approximately 40 home events and traveled to approximately 100 competitions. While competition is a large component of this program, participation, leadership and opportunity are equally important. Each club is created, managed and maintained by students. Our office lends support to these clubs to help them manage the many different aspects of their clubs. This program not only offers students recreational opportunities, it offers opportunities to develop leadership skills, to learn a new activity, create a sense of belonging or community and an incentive to attend and stay at CWU.

In 2015-2016 we funded 6 clubs to travel to compete in national competitions (Rodeo Club traveled to Wyoming, Wake Sports traveled to Louisiana, Equestrian traveled to Pennsylvania/North Carolina, Swimming traveled to North Carolina, Wrestling traveled to Texas, Cycling traveled to Virginia).

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.

Rugby support transferred to the Athletic Department per our agreement.
