### 2026-2029 Service & Activities Fee Base Funding Request Form

#### Program/Department Name

Equity and Services Council

#### Program Manager

Justin Santoli

#### Do you currently receive S&A Base Funding?

Yes

#### How does the program support the University's Vision and Mission?

<https://www.cwu.edu/about/mission-vision/>

The Equity and Services Council supports our vision of being a community of equity and belonging by providing consistent annual funding for multicultural student organizations to organize and execute programming that emphasizes the celebration, education, and joy of the various cultures represented at CWU. This funding also allows the 10 current organizations to advocate for their needs and fostering meaningful relationships with on and off campus partners. They are supported by a student-elected ESC Chairperson and 2 executive board positions that enable us to hold each org accountable as ethical stewards of S&A fees to put on culturally significant events.

#### How does your request support current CWU students?

Our funding is divided into 3 categories: 1) salaries for two student positions that support the ESC Advisor and Chairperson in daily operations, org-wide programming, and marketing for the council; 2) dedicated programming and office operations that serve to unify the 10 ESC organizations and foster a sense of community and cross-collaboration throughout the council; and 3) allocate \$3,500 annual allocation per organization to develop programming experiences that have been successful and meaningful among historically marginalized populations on campus. Our funding request reflects the increasing visibility and engagement we have tracked in the council and hope to add one new organization to the council every 2 years

#### What metrics or assessment do you have (or intend to have) to measure the success of your program?

We keep a budget tracking spreadsheet to track org expenses as well as a comprehensive calendar to capture data. I have attached last year's budget tracking spreadsheet.

#### Is this program associated with enrollment in academic course or academic credit?

No

#### Identify your S&A funding category?
