Cat Camp is a leadership-transition program designed to welcome incoming first-year and transfer students to the CWU community hosted by Student Leadership, Involvement, & Community Engagement (SLICE)! This camp offers unique experiences for each group. During Cat Camp, students have the opportunity to learn more about themselves, create connections with other incoming students, develop a stronger understanding of CWU, and begin their CWU legacy. We are hoping to increase our access and amenities at camp to make it bigger and better. We would like to use some of the previous allocated funds for Cat Camp 2023 utilizing up to \$50,000 to cover the camp and increase access.
