In 2023 the SURC Accounting office eliminated one S&A funded position in an effort to reduce costs. This position will not be funded in the future.

Please provide an overview of the student-centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

The SURC Accounting office has one full time S&A funded position, one position funded from other sources and 5 student employees. The S&A funded position is funded through the SURC flat funding agreement. The agreement also provides support for a portion of student payroll and goods and services.

The SURC accounting office provides the budget and accounting services to all student clubs and organizations. We help support all S&A funded departments and funding requests when necessary regarding financial activity.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.

The S&A Committee voted to roll back all unspent S&A amounts. Due to vacant and forfeited positions, as well as carry forward from FY22, SURC Accounting rolled \$132,502 back.

Please provide an explanation for any position or negative fund balances at year end.

The remaining \$51,068 fund balance is related to non S&A funding sources and should be rolled back accordingly
