End-of-Year Committee Dinner

Robbi Goninan discussed plans for an end-of-year dinner to recognize committee members for their service during the academic year.

Committee members discussed possible dates and availability. Initial discussion centered on Friday the 5th; however, due to scheduling conflicts with other campus events and potential supplemental funding requests scheduled for that meeting day, the committee reached consensus to hold the dinner on Thursday at 5:00 PM.

Transportation coordination was discussed, and staff members offered rides for students needing transportation assistance.

Robbi Goninan also informed members that a brief committee meeting may still be required on Friday if supplemental funding requests are received.

S&A Committee Service for Next Year

Committee members were encouraged to reapply for service on the S&A Committee for the upcoming academic year by contacting ASCWU leadership. It was noted that next year's committee workload is expected to be lighter due to the absence of base funding reviews.

Chair Alex Matheson thanked committee members for their work and dedication throughout the year.

There was no old business.

9. Second Public Comment

No public comment was received.

10. Adjournment
