Meeting was convened at 11:05 a.m.

Janet updated the committee on responses to the proposals that the committee had comments on prior to break. English added discussion on antiracism and a video and provided an updated syllabus. CDFS 436 provided an updated syllabus and they indicated they spend 4+ lecturers on racism and intersectionality. PSY 310 ADI outcomes weren't verbatim, and these have now been updated. There are now two ADI proposals for PSY 310. The one with updated outcomes and the original. The committee would like to reject the original proposal with a comment on why it is being rejected since it is a duplicate. Mike G. will reject the proposal.
