New Proposals

ENG 336 Race and Literature – Committee approved this course.

LAJ 216 Race, Gender, and Justice – Need course schedule showing assignments and readings to show how they are meeting the objectives.

LAJ 420 Community and Social Justice – Need course schedule showing assignments and readings to show how they are meeting the objectives.

LLAS 302 Chicana Feminist and Voices – Committee approved this course.

ENG 336 and LLAS 302 Cynthia moved to approve ENG 336 and LLAS 302. Nathan seconded and motion was approved.

Committee approved the February 1, 2024, minutes.

Student Petition Process – Mike G indicated the Registrar office is updating the student petition process. The committee reviewed the current student petition form for General Education and World Language requirement. ADI would need to add some additional information. Would want syllabi regardless of where the student took the course. What if this is an entire class that needs to petition, like the CWU 184 course? Would like to see a text box where they could include things like course assignments, outcomes, or any other additional information to support their petition. Mike G indicated maybe it would make sense to have their own form since the committee will be reviewing all petitions.
