Meeting was called to order at 11:08 a.m.

No quorum.

Forum Debrief – Faculty form needs to be sent out again. Transfer students needs to be a discussion about giving transfer students a grace period. It would need to be decided how long of a grace period if this is done.

Does the committee want to do a forum next fall for those who are considering new ADI course proposals?

Putting together a training calendar would be a good place to help faculty. Potential resources would be MultiModal, Equity and Belonging VP office. Janet C will work on putting together a list of trainings.

Mike G. indicated that all of the DTAs have a diversity requirement embedded, however some of them are very broad at current. He hopes that with the state law kicking in for AY 24/25 that they/will narrow this down somewhat. Mike has a student worker who is gathering a list of all courses from the CC/TCs that meet their requirements so that in the fall this committee can begin reviews independent of student petitions.

Need to work with DHC to chart a path for their students.

Need to put together a list for DHC, Advisors and Transfer Advisors to show courses, pre-requisites, online availability, program affiliations, etc. Cynthia will work on this.

It was suggested to put the courses coming up the next term on the ADI website.

Meeting was adjourned at 11:54 a.m.
