Guest(s): None

Meeting was called to order at 11:01 a.m.

No quorum to approve minutes or the Faculty Form.

PSY 310 – The ADI outcomes have been revised and a course change proposal has not been submitted. ADI Outcomes must be listed verbatim. Additionally, a course-change proposal must also be submitted.

ABS 315 – Recommended for approval.

CDFS 436 – After reviewing the course proposal the ADI Committee is not yet entirely clear how the course engages with the themes of antiracism and intersectionality, as well as the role of race, racism, and antiracism in the United States.

The representative syllabus does seem to engage with these topics, but specificity is preferred. In particular it would be helpful to consider where antiracism fits into this course. A chapter title or brief notation of the readings is one example of accomplishing this. There is no need to resubmit a proposal, only an updated syllabus.

ENG 331 – After reviewing the course proposal the ADI Committee is unclear on how anti-racism will be articulated in the course. It would help to have specificity included. There is no need to resubmit a proposal, only an updated syllabus.

ENG 332 - After reviewing the course proposal the ADI Committee is unclear on how anti-racism will be articulated in the course. It would help to have specificity included. There is no need to resubmit a proposal, only an updated syllabus.

Meeting was adjourned at 11:50 a.m.
