Chair report – Teri and John presented program learner outcomes at Faculty Senate last week. DHC meeting hasn't been scheduled yet and will wait until next fall.

Put the GE program learner outcomes to Senate with the program change next year. Should give one more chance for feedback in November.

No student petitions.

PSY 310 – There is WVCC POLS 224 Geopolitics of Latin America – They would like to have this course articulated to General Education. The course does not exist yet. The committee would like LLAS to review the course to see if it would articulate in as LLAS 102.

Meeting days/times – Would like to remove June 9th meeting. Stay with meeting in-person the first meeting of the month.

General Education Advising Worksheet – The committee made some suggestions for changes. First page Quantitative Reasoning (QR) add at the end in a QR course.

2nd page – First Year Experience should be PADstone. Also add language that if a student transfers in 45 or more credits PADstone is waived. Changes made to departments and course numbers under culminating experience. The committee approved the changes to the advising document.

Meeting was adjourned at 4:37 p.m.
