2. Meeting called to order @ 3:12 PM
3. Approved minutes from May 12, 2025 with change that NTTs CAN be chair, so that will be struck from the minutes. Moved by Brita, 2nd by A.I. Motion carries.
4. Chair report – it has been a while since our last meeting. The last Faculty Senate meeting is coming up this Wednesday. There will be a vote to remove the PADStones or not. Discussion with Peter to send to motions together for easier passing of two items. Culminating Experiences recommendation from GEC will be voted on separate from PADStones.
5. Chair Nominations/Chair Elections – Discussion about who will be chair, can we have a co-chair, who is available? Instead of Co-Chair, could it be Chair and Assistant Chair. Will look into what terms are acceptable.

John made a motion that John Neurohr will be Chair and David Zuckerman will be Assistant Chair. A. I. seconded it. Discussion that this will need to be codified into the GEC procedures manual.

Brita moved that John be Chair and David as Assistant Chair. Motion carries. John will be Chair, David Assistant Chair for 2025-2026.

6. GE PADstones update covered above. No additional information.
7. Vote on GE Rules changes – we have made no changes this year. We would like to suggest that the rule that the next Chair is elected in Winter to be done in Spring. Winter is usually not the time we do this, rather we do it in Spring. We should also add a note that the Committee Secretary (if available) be added since we do not have a Secretary, but we would like to.

GEC Procedures updated and approved.
