CHAIR'S REPORT / UPDATES

Hyflex Update-

Elizabeth Brown summarized Faculty Senate concerns regarding the HyFlex definition, noting challenges related to classroom capacity, student modality choice each class period, and implications for international, veteran, and fully online students. Additional concerns included tuition classification, space allocation, and the pedagogical impact of asynchronous options potentially making class attendance optional. Teneccia Dacass

reported that the Executive Committee drafted and sent a letter outlining these concerns to the Provost, and the committee is awaiting guidance on whether the issue will return to FSCC for further review.
