1. Call to Order

The meeting was called to order.

2. Review of Agenda

The committee reviewed the meeting agenda and no issues or additions were raised.

3. Approval of Minutes

The September 24, 2026, draft meeting minutes were approved.

4. Chair's Report

Chair Pazian provided updates on the CAT CIM Team and plans to coordinate spring meeting dates so the CAT team and FSCC can partner on their work.

Chair Pazian also discussed plans to meet with the Associate Deans to identify areas of the curriculum approval process that may be appropriate for an expedited or fast-track process.

5. Faculty Senate Charges

HyFlex Modality

The committee reviewed the HyFlex language and definitions approved by FSCC on June 4, 2026. The previously approved language will be forwarded to Faculty Senate Chair Claridge.

College in the High School Graduate Certificates

The committee continued discussion of the College in the High School graduate certificate proposals and supporting materials. Discussion included instructor qualifications, stackable credentials, graduate certificate pathways, and the potential use of Bachelor of Applied Science degree structures.

The committee postponed voting to allow additional research and discussion.

5. Adjournment

The committee adjourned at 4:45 PM.
