Meeting was called to order at 3:45 p.m.

A.I. moved to approve the October 28, 2024, minutes. Marty seconded and the motion carried.

Chair report – John asked if someone would take minutes. Janie agreed to take the minutes until a replacement for Janet is found. David indicated he would act as a backup if needed.

Courses on reserve – The committee reviewed the courses that have been placed on reserve. A.I. moved to remove the courses from GE unless the department has given us a specific date of when it will be offered. Marty seconded and motion passed with one abstention.

CMGT 101 – The committee reviewed the updated information. The originator indicated they would change and add outcomes. Their learner outcome does not meet K4.2. The learner outcome for K4.1 is currently not in the course. Course will be denied.

EDLT 281 – Moved K1.3 to learner outcome #5. The committee felt it might be more appropriate as #4. The combination of learner outcome #4 and #5 seems to meet K1.3. Recommend to approve, with one abstention.

John read an email from Peter Klosterman about the GE-ADI survey. The General Education committee is charged with removing PADstones, remove Culminating Experience, change pathways to themes, and put the ADI requirement into GE (not in first year experience). A.I. indicated that they do not agree with the removal of the 184's.

Meeting was adjourned at 5:20 p.m.
