

Textbook Reading

Strategies before reading:

- Preview the chapter (headings, vocabulary, summary)
- Make a plan for how much and how long to read

Strategies during reading:

- Take notes on key concepts
- Create questions about the reading
- Take breaks every 40-50 minutes
- Make connections with lectures
- Highlight important concepts
- Try skimming/scanning

Strategies after reading:

- Answer the questions at the end of the chapter
- Organize your notes
- Write a summary
