

Fast-Track Your Supply Chain Management Career

Earn Your Bachelor's & Master's Degree on Your Schedule

Start your journey at a Washington state community college and complete the **Associate in Business- Direct Transfer Agreement (DTA/MRP)**. Seamlessly transition to CWU to earn your Bachelor's in **Business Administration with a specialization in Supply Chain Management**.

Want to take your career further? You have the option to do one more year and earn your **Master of Business Administration (MBA)**.

What is Supply Chain Management?

Supply Chain Management (SCM) is your business's powerhouse, from sourcing raw materials and production to delivery and returns, while orchestrating every step in the journey of a product or service. By building efficiency into each stage, an effective SCM system helps you reduce costs, improve quality control, accelerate delivery times, and boost agility.

Supply chain management (SCM) builds on the Business Administration core and prepares students for careers as analysts, decision-makers, and managers in all segments of the organization's supply, production, and distribution chain.

Career Projections

- In Washington, positions for Supply Chain Managers are expected to grow by 16% between 2022-2032
- Nationally, an estimated 19,700 new positions for Supply Chain Managers are expected to open annually
