

Central Washington University

LEARNING COMMONS

All tutors and mentors are trained under the College Reading and Learning Association (CRLA)

Peer Mentoring

- Find support and accountability
- One-on-one, group sessions, and workshops available
- Access helpful learning tools
- Learn strategies for academic and personal success

Math and Writing Tutoring

- One-on-one sessions
- Offered for all 100-level math courses
- Support at every stage of writing, including graduate work
- Get feedback right away or submit your work for feedback later

PALs Tutoring

- Tutors meet with small groups
- Review class concepts each week
- Small group sessions offered for many historically difficult courses

Subject Specific Tutoring

- Get one-on-one help
- Available for Accounting, Aviation, Business Administration, Biology, Chemistry, Computer Science, Engineering, Law and Justice, Psychology, and Sociology courses

College in the High School Advising

- Plan for college success
- Discover different majors and receive academic guidance
- Connect with information about Admissions, Transfer, Financial Aid, and more
