1/26/2026 – 6/12/2026	Course Dates	Approximate dates the course(s) run at the high school. Used internally at CWU

Additional Deadline Information

Definitions:

Section Requests: CWU Registrar requires this information early so submit your course builds prior to this deadline to ensure the opportunity for your students.

Registration Period: The time allotted for the students to register, which opens at midnight on the first day and closes at 11:59 p.m. on the closing deadline. The online system automatically shuts down at that time, which means no additional registrations can be submitted through the online platform.

Drop: Students may change their minds and drop a class with no penalty if they, or their school, notify CWU CiHS in writing or through the registration portal before the Drop deadline. Typically, the date is the same as the last date of the registration period. The class will be removed from the CWU transcript, and no fees will be assessed.

Reviewer Recommendation: The high school review is due by this date. Counselors or administrators have until this date to add required information within the cihs.cwu.edu registration platform.

Parental Consent Deadline: Parents or Guardians must give consent by this date. All registrations require parent/guardian consent.

Roster Verification by Teacher: Once a class is completely enrolled, teachers will receive a note to log into their cihs.cwu.edu "My Classes" and verify the roster within five business days.

Late Registration: Students may submit a request for late registration if they have missed the registration deadline because of extenuating circumstances. The request must be submitted within the established late registration period and schools are responsible for submitting the required documentation as one document (pdf preferred).

Individual/Uncontested Withdrawal: Applies when students have remained enrolled past the drop deadline and wish to withdrawal from a class but remain enrolled in at least one CWU course. Students will receive a +W on their transcript per withdrawn course and if applicable, the student/school will be invoiced for the class.

Complete Withdrawal: Applies when students are withdrawing from all enrolled CWU courses for the term. Students may withdraw from all classes for the enrolled term at any time prior to the established deadline. A complete withdrawal from the courses will be noted on the student's transcripts with a W per withdrawn course. If applicable, the student/school will be invoiced for the class(s).

Hardship Withdrawal Petition: Applies when the individual course withdrawal deadline has passed, and the students is requesting to be withdrawn from an individual course but remain enrolled in at least one CWU course. Hardship withdrawal petitions should only be submitted if the student has experienced extenuating circumstances/presents a hardship that affects their ability to finish the course. If approved, they will receive a HW on their CWU transcript and if applicable, the student/school will be invoiced for the class.

Grades Due: Instructors must post their CWU grades in their faculty MyCWU grade roster by 5:00 pm on this deadline.

Course Dates: Approximate dates the course will run. These dates are set by the Office of the Registrar to accommodate semester, trimester, and quarter term schools. These dates are used internally at CWU.

It is the Student and High School's responsibility to provide the CWU High School Partnerships Office prompt notification when a student has dropped or withdrawn from a CWU course.

CWU encourages all students who are considering Withdrawal to seek advising. Once withdrawn a student cannot be reenrolled for the same class/term. Drop/withdrawal requests will be processed in accordance with the appropriate calendar and the stated academic and financial consequences will apply.

Drop/Withdrawal requests may be submitted in two ways:

1) Preferred: the teacher submits via the CIHS online system.

2) The student contacts CWU High School Partnerships Office directly. Phone 509-963-1351 or email hspartnerships@cwu.edu
