
GET CHECKLIST

Central Washington University

Before the Quarter Starts

- 1. Log into your CWU Account
- 2. Note the charges on your account
- 3. Log into your GET account
- 4. Select the account you want to request a distribution for
- 5. Click on “Use units”
- 6. Review your account and click “use units” again
- 7. Select CWU
- 8. Request the dollar amount that you would like to have sent and specify whether it should pay for Room and board or Tuition and fees
- 9. Select the dollar amount for each category, if you would like to use GET to pay for Room and Board and Tuition
- 10. Submit Payment

That’s it. We do the rest from here!

Helpful Reminders

- GET Payments requested **after** the tuition deadline may cause the student account to be assessed late fees and/or interest.
- It can take up to two weeks once your payment is submitted to be processed and posted.
- Payments selected for the wrong quarter may result in a delay of processing.
- If you know a payment will be delayed, please contact Student Accounts or Guaranteed Sources **before** late fees are assessed.
- Credit balances from GET are not automatically refunded.
- To request a credit balance refund, please email StudentAccounts@cwu.edu.
- CWU cannot give tax advice regarding GET.
- Contact Student Accounts if you notice account discrepancies.
- If a payment was selected for the wrong quarter, contact Student Accounts before late fees are assessed.
- CWU employees cannot disclose student account information to anyone but the student unless we have a signed release of information. This includes GET payments once they have posted.

GET can pay for any and all charges posted to the student's account. Should a fine or fee post to the account when there is a credit balance from a GET payment, we will require written/emailed permission to apply the funds to said charges.
