OFFICER REPORTS

- **John DeHan** – Nothing to Report
- **Brittany Kinsella** – This week I've been working on club fair, there will be a tug-of-war event on the Barto Lawn for any clubs to participate coinciding with club fair. I've been working on continuity for me and my staff.
- **Hauke Harfst** – Ryan Zimmerman just was elected as my replacement so I've been helping him, and showing him the ropes. This week was also tuition waiver council where we discussed waivers for students that sit on the election's commission and the council of probity. They were both rejected tuition waivers. The student academic senate has released a letter to faculty senate concerning SEOI's. Questioning the effectiveness of the surveys. Student Academic Senate is next Tuesday.
- **Olivia Durham** – This week I've been working on different funds requests from various organizations for graduation events. Have about six of them currently working on. I have been working on continuity for my position for Andrea. My last big bang for my office is hopefully going to be a food drive for the FISH food bank. We will be running it for a week and encouraging citizens, students, and shoppers of local grocery stores to donate food. Working on publicity efforts to make sure students are aware of the FISH food service.
- **Rene Mahnke** – Hi, It's been a great week had a planning meeting for the tenth anniversary of the SURC and we're working on more details and logistics for everything from the club fair on the East patio to the food truck and other things for that week. It's going to be a great week! It will be starting on May 23rd and going four days long with celebrations, concerts, and outdoor movies to celebrate the SURC and the student union. In conjunction with that we're going to be hopefully implementing a survey to see what students would like to see for a future expansion of the SURC.

- **Nina Caldwell** – Hello, this week has been very interesting, we did a wrap u meeting for civics week and we invited JR to come observe as the future VP for legislative affairs. We talked about civics week as well as how can we promote the elections better next year? Had dinner with the president, was able to sit on the mass incarceration panel and ask a lot of questions. Had a personal meeting with JR to discuss budgets and discuss how fun his year will be. Had a WSA chapter meeting to prepare us for GA this Saturday. Student of color conference will be on that same day so it will be a busy day. I've met with scheduling and had an hour long conference call to discuss the conference.
- **Ryan Anderson** – This past week in my office I worked to solidify the end of the year events that are coming up. I was also able to meet and discuss the end phase of the Student Fee Proposal Process. Also on the docket is work on the 1891 Traditions Booklet, in which design is coming together thanks to the hard work to the New Student Programs Office. Mary Poppins has been in full swing with five shows this past week and three more to go. I attended a meeting with the May Orientation Stakeholders to discuss what is coming down the pike. Other than that, I'm working on my continuity for next year and look forward to seeing what is on the agenda for next year's board.
