- **Ryan Anderson** – This past week in the Office of the President, I have had a very exciting time wrapping up this year. Last Wednesday, I attended the SOURCE Dinner Celebration and the Public Transit Advisory Council meeting, where we discussed the future of public transit and next steps for the implementation of the Transit Beneficiary District. I also brought up some of the concern that students would be paying double for this service now that there is a student fee and a city sales tax to support the program, and the committee agreed to look into the possibility of bus passes or other solutions to make sure the fee is charged equitably throughout Ellensburg. On Monday, I was honored to join Olivia Durham in the speaker panel and to witness the first time that the Gay Pride Flag was flown above Barge Hall. That same evening we had dinner with Dean Swager to meet and talk to next year's ASCWU Executive Board, so that was fun to see everyone there. On Tuesday I met with Nikki Marra to discuss last minute preparations for Lavender Graduation and the Pride Awards Reception that will occur after Pride Week. On Wednesday, I met with the 1891 Traditions Committee to discuss another graphic design draft and we are moving on in that process as well. With that, I hope everyone has a great memorial day weekend!

APPROVING THE REPOSED CHANGES TO THE ESC BY-LAWS

THAT this ASCWU by two thirds majority adopt the changes to the ESC By-laws.

MOVED by Brittany Kinsella

SECONDED by Nina Caldwell

Olivia Durham: "Every two years the ESC has to review and make changes to the By-laws as they see fit. So the board, my advisor Michelle and myself have been going through the By-Laws to find areas that need further explain or changes. We went through the entire thing and had constructive conversation about how to make this document more clear. I e-mailed all the changes to the board, hopefully they have time to read over those. The primary changes are adding clarity to the definition of what an ESC organization is. We also changed the community service requirement for the Organizations. If anyone ahs further questions now would be a great time to ask."

Rene Mahnke: "I really enjoy what you did with the community service hours."

APPROVED 4-0-1

THAT this ASCWU Student Government enact the new ESC constitution at a three fourths majority.
