*No student may be denied a signature. The signature is only a means for the department chair to endorse that the student meets the eligibility requirements to be a Student Academic Senator. Any student who is denied a signature may still apply per the Student Academic Constitution and Bylaws and a department may lose representation or funding support if students are denied signatures.

The following are the requirements to be a SAS senator according to the SAS Constitution & Bylaws.

V-2 SAS Senator Eligibility

V-2.1 To be appointed to the SAS as a senator, a student must meet the following requirements:

- A. Be a student at CWU in good academic standing.
- B. Be a declared major within recognized academic department they will represent as outlined in appendix A.
- C. Be endorsed by the department chair or program director and an additional academic faculty adviser from the academic program the senator will represent. This endorsement usually takes the form of signatures on the SAS application form.
- D. Maintain a 2.0 cumulative GPA.
