

Statement of Intent

(TO BE COMPLETED BY CLUB ADVISOR)

This page is intended to be printed out and delivered to the prospective advisor of the club. The requirement will be for the advisor to provide a digital copy of their letter, based on the below instructions, to be uploaded with the recognition document.

To the Advisor,

Please mail a written statement of approximately 300 words to the provided mail stop. The intention of this requirement is to allow you to evaluate what you expect from yourself, what Central Washington University requires of you, and even what your future club members expect from you as a club advisor. Please include the degree in which you intend to participate in the club's activities, how you will support the club's officers to ensure a prosperous leadership and what roles in the club that you hope to fulfill.

Remember, as the advisor you have the opportunity and the obligation to provide support to club leaders and members. Through cooperation we can increase the presence of positive atmospheres on our campus.

If you have any questions, concerns or comments regarding this requirement or an advisor's role in a club, please contact the Student Engagement Coordinator: Michael Middleton: Michael.Middleton@cwu.edu x1694
