

Stressed about online classes? The ASC can help!

# ONLINE ACADEMIC SUPPORT

## ACADEMIC COACHING

1:1 Zoom sessions that focus on your academic goals. We can help you reduce stress around online courses and come up with practical solutions and strategies for success.

## UNIVERSITY WRITING CENTER

Screencasting, phone, or Zoom consultations are available for any writing assignment for ALL CWU courses. Connect with a consultant early for best results.

## UNIVERSITY MATH CENTER

Live tutoring via Zoom available for all 100-level math and QR courses. We also offer support in higher-level courses based on tutor specialty.

## UNIVERSITY PALS

Live tutoring via Zoom available for historically difficult courses. Facilitators work with faculty to deliver you the content review that you need the most.

## eTUTORING

15 subjects available 5am - midnight, 7 days a week. Visit [www.etutoringonline.org](http://www.etutoringonline.org), select CWU, and request a password link be sent to your CWU email address.

All services are available online starting April 8, with extended hours and availability to help you when you need it most.
