RE: Last Minute Summer Opportunity

Dear Colleagues,

One of CWU's international partner institutions, Hacettepe University, located in Ankara, Turkey has put out a call to host CWU faculty and/or staff at their university during Summer 2019. They have received funding from the prestigious Erasmus + programme, and want to use their remaining funding to help our newly established partnership develop through faculty/staff exchange.

Those interested in partaking in this ten (10) day program should submit a statement of interest to the International Partnerships Manager, Rachel Gordon (Rachel.Gordon@cwu.edu), by July 3, 2019. Submissions will be reviewed by a committee, and the selected candidates will be notified by July 8, 2019.

If selected, a stipend for a portion of travel and living expenses will be provided, through the Hacettepe University Erasmus+ fund, with travel to be completed by July 31, 2019.

Best regards,

Ediz Kaykayoglu
