

## Department of Career and Technical Education

### *Description of Programs*

#### **MAJORS**

**Business and Marketing Education:** This Bachelor of Sciences teaching major satisfies the endorsement for business and marketing education teaching for career and technical education. It is designed for students who are seeking teaching careers in business and marketing education at the secondary grade levels (7-12). The coursework provides experiences in the business and marketing education content areas and instructional pedagogy including field experiences that are designed to prepare teacher certification and content endorsement. Students in the business and marketing education major must be admitted to the Teacher Certification Program and complete the Secondary Education Major Program as part of the Teacher Certification Program.

**Family and Consumer Sciences CTE Teaching:** This Bachelor of Sciences teaching major satisfies the endorsement for family and consumer sciences teaching for career and technical education. It is designed for students who are seeking teaching careers within family and consumer sciences subject areas such as: fashion, nutrition, child development, housing, and so much more! The coursework provides experiences in the content area and instructional pedagogy within the education department leading to teacher certification and content endorsement. Students in this major also complete the Secondary Education Major Program.

**Family and Consumer Sciences General:** This Bachelor of Arts in family and consumer sciences comprises a general introduction to the broad areas of family and consumer sciences and, with an appropriate minor, can provide students with a well-rounded preparation for life or for further advanced study. This major requires a minor or double major. Students must have a cumulative GPA of at least 2.3 for full admission to this major and a 2.5 GPA for graduation.

#### **MINORS**

**Family and Consumer Science Education:** This minor allows the student to take a variety of the FCSE courses but does not meet endorsement requirements to teach family and consumer sciences.

**Family and Consumer Sciences General:** In consultation with a faculty advisor, students select a minimum of 20 credits of coursework as appropriate to individual interests and professional goals. The planned course of study must have the signature of both the student and the faculty advisor before submission to the department chair for approval.

## Department of Career and Technical Education

Application to Declare:

Family and Consumer Science Teacher Education

Business and Marketing Education

Family and Consumer Science General

1. Fully complete your part of the application:
2. After the application is complete, e-mail or deliver it to Professor Musser. She will finish the enrollment process and assign you an advisor who will work with you to develop a graduation plan.
3. BME and FCSE majors also need to complete the Secondary Education Major.
