

# **Transfer Policy for credits satisfying EET core and elective classes**

## **Core Transfer**

- Classes received from ABET accredited institutions that satisfy the same ABET learning outcomes as the specific class will be transferable to satisfy core requirements of the program.
- Classes received from programs or institutions that have formal articulation agreements with CWU will be transferable for the specific class or classes specified in the agreement.
- Classes transferred from non-ABET accredited institutions may be used to satisfy the core if the following two conditions have been met:
  - The program advisor has reviewed the learning outcomes of the class from the course syllabus and has determined that they correspond to the learning outcomes of the equivalent EET course.
  - The student has demonstrated competency by receiving a 70% or better on the final examination for the class from the most recent quarter in which the class is offered. The final examination will be proctored by the program coordinator.

## **Elective Transfer**

- Classes received from ABET accredited institutions that satisfy the same learning outcomes as the specific class will be transferable to satisfy the elective requirement.
- Classes received from programs or institutions that have formal articulation agreements with CWU will be transferable for the specific class or classes specified in the agreement.
- Classes received from non-ABET accredited institutions may be used to satisfy the elective requirement if:
  - The program advisor has reviewed the learning outcomes of the class and has determined that they correspond to the learning outcomes of the class.
  - The student received a C+ (2.3) or better in the class from the institution where credit was received.
