

CENTRAL WASHINGTON UNIVERSITY

TESOL Certificate Application

The TESOL Certificate Program fosters the awareness, understanding, and foundational skills necessary for the effective teaching of English to speakers of other languages. Through hands-on experience tutoring and teaching and through coursework in language, culture, and pedagogy, this program prepares educators to work with language learners in the United States and abroad. The TESOL Certificate Program is a university certificate, which does not provide a teaching license/endorsement for K-12 schools in the United States.

Required Courses:

ENG 320 – English Grammar (5)

ENG 420 – English Linguistics (5)

ENG 431 – Principles and Practices of TESOL (5)
