Academic Planning Director updates – Lori reported that the online curriculum is still stalled. Lori will be attending a meeting with constituents across campus. One of the main questions is whether Acculog is what we really want. Lori will keep the committee updated on the process, but it doesn't look like anything will happen this year.

Reserve and equivalent courses – Rose asked the committee for their opinion on reserve and equivalent courses. Currently Accounting has a layered course ACCT 461/561. ACCT 561 was put on reserve in December. The ACCT 461 is scheduled to be taught. Rose asked if a layered course goes on reserve are both courses then put on reserve. The committee had brief discussion and the consensus was no. They are individual courses and should be treated differently.

Jeff D let the committee know that he will not be able to be committee chair next year.

Approve February 7, 2013 log - Liz moved to approve the February 7, 2013 with the three holds. Suzanne seconded and log was approved. Liz moved to amend the motion to include the addition of three Sociology courses that need to be put on hold as well. Suzanne seconded and amendment was approved.

Review Curriculum - Committee reviewed current Curriculum.
