Cyber Security minor – The committee approved this to go on the May 16th Curriculum Log.

Physical Activity and Recreation Programming minor – Heidi Henschel Pellett & Dorothy Chase gave a brief overview of their program. Committee approved this program to go on the curriculum log with a hold until the committee receives an electronic copy of the missing exhibits.

Academic Planning Director Report – Lori reported that she has met with the Academic Technology Advisory Council (ATAC) to talk about Curralog. ATAC will hopefully vote next Monday on this proposal. If passed, then it will go to the Enterprise Team for their review. Once through that process it will move to Budget and Contracts. The Provost has agreed to fund Lori's position to work part-time this summer. The hope is to have a small beta test ready to go in the fall. Jeff D requested that a member of the committee also be involved in the development of the programming for Curralog this summer. Dr. Pellett has also given an okay for Linda Hoff to help with this process this summer as well.

BA Ed – The committee requested that a letter be sent to Dr. Pellett about the Middle Level Humanities degree requesting it be corrected from BA Ed to a BA. The

Business and Marketing degree cannot currently be listed as a BA Ed as it does not meet the policy definition. Janet has spoken with Kim Bartel about this and is waiting to hear if it will go forward as a BA or BS. Janet will conduct an e-mail vote on the change next week.

Approval of April 18, 2013 log - Kathy moved to approve the log. Ginny seconded and motion was approved.

Curriculum deadline letter – The committee talked about the Curriculum deadline letter. Due to the hour, Jeff D asked the committee to review this letter and will discuss at the next meeting.

Policy/Procedure - Ginny, Jeff and Kathy will get together and work on this and bring back final draft to committee at the May 16th meeting for approval.
