Chair report – No report.

No student petitions – There were no petitions.

The committee agreed they would review the rest of the 187 courses, and the other “Existing with no change” courses.

Committee broke into groups to discuss the 187 proposals and the “Existing courses with no change” courses.

The committee started to discuss proposals and will finish putting comments in the Excel spreadsheet Morgan created. Janet will put comments into Curriculog and custom route back proposals that need some corrections. If they are minor corrections, Janet will work with the Registrar office to see if those changes can be made. Things like course description on the 187 FYESTS courses since they all must be the same. The same with the title.

The committee agreed they need to move on and look at the next so many proposals for next weeks meeting. Janet put that list together and email out to the committee.

Meeting was adjourned at 5:03 p.m.
