Chair report – Becky had the committee review draft framework. The committee was okay with sending this out to campus as a draft.

The committee was in favor of giving departments an option for the Curriculog Team to make changes for errors or send it back to the department at their request.

Becky asked both groups to make sure to put originator and chair information in the Excel spreadsheet as you are reviewing.

Becky asked how the committee wants to deal with typos. If we send it back to department to fix other things, bring this back to their attention.
