Jim moved to approve the October 16, 2017 minutes. Morgan seconded, and the minutes were approved.

Chair report - Becky reported she has sent out the draft framework with courses that have been proposed. There have been a few questions about changes or issues with their proposals. ABS 110 and 210 both have curriculum change proposals, but submitted the GE proposal on October 16, 2017. MUS 105 indicated they are in the wrong Knowledge Area.

The committee decided, while they are sympathetic to departments in this situation, departments needed to have their General Education forms in by the September 29th deadline. The answer will also be no for proposers that didn't get all the pathways they wanted their course to be in. If they made a mistake on the form about Knowledge Area or Pathways, but addressed those in their justification and outcomes, those will be okay. Any late submissions or pathways not addressed can be used for Fall 2019.

No student petitions. Lindsey indicated there may be one coming. The BFA program in Theatre misadvised students that they didn't need to take foreign language.

Lizzie sent a chart for the ongoing timeline for the committee. Becky will circulate that to the committee.

Course review - Academic Writing I, Academic Writing II, Humanities and Creative Expression.

Meeting was adjourned at 5:00 p.m.
