Academic Life Policy/Procedure 5-90

Feedback from Kathy Gaer-Carlton - The committee reviewed her responses to the questions they had asked. First year students are required to pay the deposit, but transfers don't. If the students pay the deposit it is fairly certain they are coming to Central. Currently there is not a deadline they a student must accept or reject their admission. The university does not do wait lists.

Review 5-90-010 Reviewed and recommendations were made to the policy. There was no procedure to this section.

& 5-90-30 – Committee reviewed and made recommendations to both policy and procedure.

Set next section for review will be 5-90-040.

Meeting was adjourned at 4:54 p.m.
