

TO: CWU Faculty and Staff
 FROM: Faculty Senate Curriculum Committee (FSCC)
 DATE: April, 2020
 SUBJECT: Deadline Notice for 2021-2022 Catalog - Revised

All curriculum proposals must be submitted using Curriculog through MyCWU. Contact the Curriculog Team for training.

Once an originator launches and approves a proposal, it may take a maximum of 15 days at each approval level to move through the process. Curriculum submitted with errors will be returned to the Originator. After final approval, please allow up to two (2) weeks for MYCWU activation and scheduling. Refer to Curriculum Policy and Procedures for curricular guidance.

As per policy CWUP 5-50-090, changes to existing programs and general education requirements will be implemented fall quarter following publication in the official electronic catalog by May 15, 2021 for academic year 2021-22.

The Faculty Senate Curriculum Committee (FSCC) expects the originator and Dean or designee to attend the meeting at which new majors, minors, specializations, and certificates are reviewed to answer questions as needed.

IMPORTANT NOTE: Please plan to submit your curriculum as early as possible to allow time for corrections to be resolved. Meeting a submission deadline does not guarantee a proposal will meet subsequent deadlines.

Faculty Senate and Board of Trustees approval, when applicable, occurs *after* Faculty Senate Curriculum Committee approval. Faculty Senate reviews and approves all new majors, minors, specializations, and certificates; general education changes; and any program changes that exceed the credit limitations for the type of degree (for B.A., 75 credits; B.S., 110 credits). The Board of Trustees approves all new majors and degree types. The Board of Trustees requires a five-year budget projection and a needs analysis. The Office of the Associate Provosts provides the budget template and assistance as needed. The Business and Financial Affairs division conducts the needs analysis. Curriculum for Faculty Senate approval will be prepped and sent through the Faculty Senate Office. The Office of the Associate Provosts prepares the materials for Board of Trustees review. In order for a Major to be included in the Catalog it must also be reviewed by the Washington state Inter-institutional Committee on Academic Program Planning (ICAPP) and approved by CWU's regional accreditor, the Northwest Commission on Colleges and Universities (NWCCU).
