COACHE presentation – Steve DeSour & Staci Sleigh-Layman spoke with the committee about Collaborative on Academic Careers in Higher Education (COACHE) from Harvard Graduate School of Education. This is a survey of faculty job satisfaction that they have been working on for two decades. Steve gave handouts to the committee with additional information about other institutions that have used this process. They are asking Faculty Senate to sponsor this survey. It is a three year program. They would ask faculty to do a survey this fall. Human Resources will fund the project, if approved. Steve indicated that he and Staci will be meeting with the Executive Committee next meeting.

Winter quarter SEOI – Tom Henderson gave the committee an update on the percentage of students that responded to the written comments for the Winter quarter SEOIs. The response rate went up to the text questions. However, the overall student response rate went down in Winter quarter.
