

Freshman OriOrientation & Back to School BBQ was held on Tuesday, August 31st in the High School Commons. Parents & students begin the year right!

College Information Night at THS was held on Wednesday, September 29th in the High School Commons. Over 60 parents and students attended this informative evening. Tyrone Glanzer and Becky Hightower presented different topics about getting prepared for applying for colleges and very important news about financial aid. Students said they liked having the handouts on the table to take with them home and look at later. Many parents took notes and asked lots of questions to be better prepared to help their student get a leg up on getting into college. Most of the students who attended were seniors. It was a great opportunity for our college bound students!

Tonasket & Oroville to share bus trip to WWU for discovery Days

Up-Coming

GU
