

STUDENT ACADEMIC SENATE

Senator:

Sarah Tracey

Department:

Nutrition Science & Health Science

Email:

traceys@cwu.edu

See Website for Current Meeting Times

CWU.EDU/ASCWU

The Student Academic Senate is made up of students who care about their academic future and yours. Here we give students opportunities to make their voices heard on issues that matter including curriculum, funding for academic trips or speakers, important events, and major changes within the University we all call home for four years. If you have concerns about these issues, contact your senator and get your voice heard!

Many Voices, Many Choices.

VP: Hauke Harfst
