Welcome Wildcats!

**CWU residence halls and apartments** are like our classrooms—small and personable—allowing you to meet and know most of the people living in them. CWU considers residence hall living one of the most valuable learning experiences of a student’s educational career. The dynamics of each residence hall are unique and the people who live in them help make CWU a diverse and vibrant community. Our programming efforts are intentional, reflect variety, balance, and flexibility to positively impact a student’s university experience.

Our professional and paraprofessional staff members work to create a comfortable living and learning environment. All staff members participate in an extensive and ongoing training throughout the year.

Welcome... home.
Welcome to Central.
When we say WELCOME we mean it.

To us, WELCOME means opening our doors, our hearts, and our minds.

WELCOME is what learning together feels like.

WELCOME is how you feel the first day of class—and how you feel the last day, knowing you are more than ready for what’s coming.
Live-in Requirement

If you are single and a first-year student enrolled in seven or more college credits, and under the age of 20, you must live in a CWU residence hall for one academic year regardless of the number of college credits you have earned (WAC 106-156-010 and WAC 106-156-011).

Running Start students, regardless of class standing, are also required to live in residence halls for one year.

Students requesting an exception to the policies must apply for an exception through Housing and Residence Life by locating the form on the Housing website or through their MyHousing page in advance of the quarter.

Requesting a Roommate

Sharing a room provides the opportunity for developing new friendships. Students occupying a double or triple occupancy room may choose a roommate they already know. The roommate must be accepted to CWU. Students requesting roommates must have their requests submitted by June 1. All roommate requests are subject to space availability.

Contract

The academic-year contract offers room and board for the entire academic year and your commitment is for the full term of the contract. Exceptions include participation in an approved off-campus academic program such as student teaching or an internship. Contract Cancellation approvals are rare. If Housing and Residence Life permits you to terminate your contract during the academic year, you are subject to liquidated charges and fees in accordance with section 15B of the room and board contract.

First-year students, including Running Start students, are required to live on campus for one academic year and to have a meal plan.

Room and Board Rates

CWU offers three regular academic quarters (fall, winter, and spring) and a summer session. Current residence hall housing rates range from $11,500 (most common rate for a shared room and mid-meal plan) to $15,877 per academic year. Current student apartment and family housing rates range from $626 to $1,143 per month per apartment. The 2019–2020 room and board rates are expected to increase slightly. It is anticipated that the new rates will be made available in early spring and posted online at cwu.edu/housing.

Paying Room and Board Fees

Residence hall and meal plan fees are due six working days after classes begin. Your account balance is available on MyCWU student account for payment.

Monthly payment plans are available to enroll in at the beginning of each quarter through Student Accounts. Outstanding room and board fees are assessed late fees.

For more information, see Section 20 of the Room and Board Contract, Terms and Conditions (page 22).

Living Learning Communities

What is a Living Learning Community?
Living Learning Communities (LLCs) provide opportunities for students to develop relationships with faculty from a respective discipline in a residence hall setting. LLCs complement students’ classroom experience by providing enriched lifelong learning opportunities. Through formal and informal activities, students’ connection with faculty results in greater understanding of their academic pursuit, affirmation of career choice, and enhanced preparedness for a career path.

Students with common academic interests live together in the same residence hall and develop personal and academic relationships with other students and faculty from a field of study. Students participate in out-of-classroom enrichment activities that support their academic pursuits. As noted below, some LLCs are connected to specific courses that students take together. All LLCs require pre-approval and acceptance from the LLC Program in order to register for Housing in an LLC designated space. **Active participation is required to live in an LLC.**

2019–2020 LLCs

**Aviation**
Students involved with this LLC must be accepted into the Aviation Program. Students have attended events including visiting the Museum of Flight, FAA review study sessions, and community service projects at the local airport.

**Business**
This LLC gives you a unique opportunity to become engaged with excellent professional development activities, interact with Business faculty and participate in wonderful student club activities before you’ve been formally accepted into the College of Business.

**Casa Latina**
Casa Latina is a multicultural LLC open to all students who share an interest in Latina/o heritage and culture. Casa Latina offers a common experience through a variety of social and cultural events, support programs, and community outreach activities.

**Education**
Students anticipating a career in education will be enrolled in a common University 101 class which will help students transition into the education program. Education LLC residents participate in teacher-led discussions, teacher education preparation sessions, and volunteer in local schools.

**International House**
International House (I-House) is a diverse and welcoming community for students from around the world and US who are interested in developing cross-cultural friendships, competencies, experiences. With large kitchen and area space makes it perfect for conversations over global meals as well as specific programs designed for residents to share their culture with others.

**Music**
Students with a declared or anticipated major/minor in music or who have an interest in music enrichment are eligible. Events have included visiting the Spokane Symphony, attending the musical Rent in Seattle, taking special lessons in Taiko (Japanese drumming), and participating in vocal performances on campus.

**ROTC**
The ROTC LLC provides CWU students interested in military service the opportunity to become acquainted with others involved in CWU’s ROTC programs. The LLC will facilitate contact with ROTC student leaders, ROTC faculty and staff, and military professionals.

**Science Talent Expansion Program (S.T.E.P.)**
The STEP LLC seeks to involve all students who have an appreciation for and an interest in science, technology, engineering, and/or mathematics (STEM) related disciplines. Students who wish to participate in the STEP LLC must be accepted into and participate in the STEP program.

**Year-Long Exploration in the Social Sciences (YESS)**
The Social Sciences Living Learning Community will provide students who are interested in the social science (sociology, psychology, anthropology, political science, geography, and law and justice) disciplines a positive living-learning environment. Students who desire to major in science-related fields will become familiar with possible careers, meet professionals who can augment career networking, and become part of a strong Social Sciences Living Learning Community.

**William O. Douglas Honors College**
Students admitted into the William O. Douglas Honors College are eligible to live in this LLC. The DHC LLC will promote a spirit of discovery and open exchange of ideas in all disciplines to foster leadership, civic engagement, critical inquiry through undergraduate research, and academic rigor to encourage curiosity and innovation in the next generation of citizen scholars.

What additional benefits do students receive from living in an LLC?
National research has shown that students living in LLCs:
• Engage more in class and have better academic performance
• Have a greater sense of collegiality
• Are more engaged with their education and personal development
• Have increased intercultural experiences
• Have greater exposure to positive social environments
• Are more connected to the University and resources
Students accepted into the Aviation, Casa Latina, Music, ROTC, S.T.E.P. YESS, or DHC programs will be advised on course offerings through the appropriate program coordinator. Students who do not enroll in required courses may be moved from the LLC residence halls during fall quarter.

Residence Hall Meal Plans

Dining Services has the following five declining-balance meal plans.

Plan A (Average 18 meals per week)
Plan B (Average 16 meals per week)
Plan C (Average 14 meals per week)
Plan D (Average 12 meals per week)
Liberty Plan (Kennedy residents only)

Your payment on a meal plan goes toward two things: daily meals and Dining Services’ operational overhead costs. Once you’ve paid for a plan, 65 percent of that payment goes toward operational overhead costs. The remaining 35 percent goes on your Connection Card each quarter for food purchases. You then receive up to 65 percent discount off of retail prices at checkout depending on location.

The Liberty Plan has an initial minimum amount of $300. This plan, available only for Kennedy Hall residents, does not pre-pay into the 65 percent overhead. Therefore, Liberty Plan holders pay regular retail prices at all dining locations and convenience stores, minus the 8 percent Washington State sales tax. Students can add to it as often as they need in $20 increments.

This program is designed to introduce students who are accepted for the fall 2019 quarter and your parents/guests; provide you with information about academic departments and majors; and provide an opportunity for you to ask any questions you may have about Central. This event regularly attracts more than 1,000 incoming students and guests each weekend. Attendance is strongly recommended. As a part of the event we offer **Todos Somos Familia** for spanish speaking families. More information, including a schedule of events, will be posted early in the new year at [cwu.edu/orientation](http://cwu.edu/orientation).

**WELCOME WILDCATS!**

Phase II of New Student Orientation is a two and one-half day program for first year students and parents/family held in June and July. The program allows you to meet with academic advisors who will help you register for classes, participate in social events with other incoming students, and attend valuable programs that feature campus resources and services. Programs include academic requirements and expectations, housing services, dining services, and financial aid.

Parent/family-only sessions are offered to assist with the transition to the university. Faculty and administrators are available throughout the program to assist with parent and student needs.

Students with fewer than 40 transferable college credits, and/or who are Running Start students, are required to attend **Orientation**. Students unable to attend one of the dates in June and July need to contact us by email at discover@cwu.edu as soon as possible. Class registration will take place after the final July orientation session.

**Transfer students** have an option of a one day orientation session in June or July. Transfer students are expected to attend.

For further questions, call Orientation and Transition Programs at 509-963-2735 or email discover@cwu.edu or check out our website at [cwu.edu/orientation](http://cwu.edu/orientation).

Phase III of New Student Orientation is Wildcat Welcome Weekend (**W³**). It picks up in the fall where **Orientation** left off. **W³** is a first-year-focused program that begins on move-in day (Sept. 20). Students will participate in a weekend filled with many fun and informative activities and sessions. Attendance is required to receive credit for University 101.

Phase IV of New Student Orientation is the **First-Six-Weeks Programming**. It is intentionally designed to help students adjust during the critical first six weeks of their first year at CWU. Attendance at first-six-weeks programming is required as part of a student’s University 101 class.

No reduction or waiver of rent or other compensation may be claimed by the Student, nor shall this contract or any of the obligations of the Student be affected or reduced by such interruption.

15. **Termination of Contract:**

  1. The Student is in default in payment of the contract for more than 10 days;
  2. The Student breaches, violates, fails to perform or is in default of the performance of any of the terms and conditions or covenants of this contract. - **B)** By the Student: Housing will review any requests for contract cancellation. Any cancellation requests that are approved are not intended to be exclusive of any other remedies or means of redress to which the University may be lawfully entitled in case of any breach or threatened breach by the Student of any right or remedy available to the University as a result of the Student's breach of any of the terms, covenants, or conditions of this contract shall not be deemed to be a waiver by the University of any such rights or remedies. - **E)** By the Student Who Withdraws from the University: If the Student withdraws from the University, the Registrar’s Office, Housing, and Financial Aid (if applicable) must be notified. Housing will request a copy of the withdrawal slip. Withdrawal from the University causes student termination of a contract.

After taking occupancy when the student terminates the contract, the student owes the prorated room and board fees to the date of the checkout, but not less than the $200 administrative fee. Within the last 15 days of the quarter, students must pay the full quarter contract amount.

16. **Waiver of Breaches:** Failure of the University to exercise any right or remedy available to the University under the terms of this contract are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the University may be lawfully entitled in case of any breach or threatened breach by the Student of any provision of this contract.

17. **Cumulative Remedies:** The specified remedies used by the University under the terms of this contract are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the University may be lawfully entitled. The University may re-let the assigned room and fixtures or any part thereof in the name of the University upon default or breach by the Student shall survive the termination or expiration of this contract.

All Students requiring processing for termination for breach of contract or any part thereof are assessed an additional $50 fee to cover the processing costs.

18. **Expulsion or Salary Deduction:** Failure to satisfy any financial obligations incurred in accordance with the terms and conditions of this contract may result in action by the University to withhold admission to or registration with the University, the conferring of degrees and issuance of transcripts or grade reports, pursuant to WAC 106-124-010 and WAC 106-124-011, and in the case of employees of the University, the deduction of such financial obligation from wages pursuant to the salary deduction policy of the institution.

19. **Equal Opportunity:** Central Washington University’s policies and practices affirm and actively promote the rights of all individuals to equal opportunity in education and employment. Discrimination on the basis of race, color, creed, religion, national origin, sex, sexual orientation, gender identity and gender expression, age, marital status, disability, or status as a protected veteran is prohibited. The university provides an internal procedure for reporting discrimination and affords protection against retaliation for participating in the complaint process. Central Washington University complies with all applicable federal, state, and local laws, regulations, and executive orders including when soliciting bids and in the fulfillment of all contracts with governmental agencies. Persons of disability may request this material in alternative format or make arrangements for reasonable accommodation by calling Housing at 509-963-1831 or by emailing housing@cwu.edu.

20. Room and Board Fees:

A) Room/board fees are due in full as follows:

<table>
<thead>
<tr>
<th></th>
<th>Fall</th>
<th>Winter</th>
<th>Spring</th>
</tr>
</thead>
<tbody>
<tr>
<td>Due Date</td>
<td>Oct. 2</td>
<td>Jan. 14</td>
<td>April 7</td>
</tr>
</tbody>
</table>

B) Late Fees: A $50 fee is placed on student accounts that are not paid in full 10 days after the first due date. The second (final) due dates for each quarter are Nov. 1, Feb. 1 and May 1. A $100 late fee is assessed on room and board fees not paid 10 days after second (final) due dates (Nov. 1, Feb. 1 and May 1) for each quarter.

The CWU Board of Trustees approves housing rates spring quarter for the following academic year. The payment schedule detailing housing and dining charges will be sent with the retain assignments. Payment is due on the student’s MyCWU online account or in person at the Cashier’s office. On each check or with each payment, indicate the student’s name and student’s identification number.

Failure to bring an account up-to-date within 10 working days after the second late fee assessment may result in cancellation of meal privileges and eviction. If eviction proceedings are necessary due to non-payment of fees, an eviction administrative fee of $50 will also be assessed. A late charge of 1 percent will be assessed 30 days after due date.

21. Deferments for Scholarships, Loans and/or Grants: When payment of the residence hall room and board charges or fees is to be made from monies the applicant receives from grants, loans or scholarships, such sums are due upon receipt by the Student of such grants, loans and/or scholarships.

22. Consolidation Rooms: When space is available, Housing may offer the Students an option for reduced occupancy in the room or suite. There is an additional charge for Students who live in rooms which are not occupied to capacity but wish to retain the reduced occupancy to give the remaining resident(s) additional space. The reduced occupancy option may include: super-single rooms, triple occupancy room used as a double or single occupancy room, three-person suite used as a double occupancy suite, and a two- or three-person suite used as a single occupancy suite.

If a vacancy exists in your room/suite and the consolidation option is offered, you may choose one of the following options:

Option 1. Stay in your current room without a roommate and pay the appropriate reduced-occupancy rates.

Option 2. Find a person in a similar situation and become roommates upon approval from Housing and Residence Life. Housing can also help you find a roommate.

Option 3. If you are unable to find a roommate and you don’t want Option 1, you may request that you maintain the multiple occupancy rate and welcome a new roommate if the University assigns one. This option needs to be approved by the University; contact Housing.

Housing reserves the right to consolidate individuals in multiple-occupancy rooms.

Options 2 and 3 must be completed by the 15th day of the quarter or within 15 days of your roommate’s departure in order to avoid automatic implementation of Option 1, retroactive to the date your roommate departed or to the beginning of the term—whichever is appropriate.

23. Changing Rooms: Transfer Day is offered each quarter. There are no room transfers permitted prior to Transfer Day without written approval from Housing. On Transfer Day, requests for transfers are made through Housing on a first-come, first-serve basis through the students MyHousing portal. If your request cannot be accommodated, your name will be placed on a transfer list. If you wish to transfer after Transfer Day, you would need to contact your Residence Hall Coordinator for approval. After proper signatures are obtained, your request is sent to Housing. We will try to accommodate your request, however, we can make no guarantee. At your request, you will be placed on a transfer list. Students are required to move within 48 hours of the time of approval. Failure to move will result in charges for both rooms. Students who change rooms without proper authorization from Housing will be charged a $100 penalty and may be required to move back to original assignment.

24. Meal Plans: All students living in the residence halls are required to have a meal plan. The meal plans are pre-paid dining debit accounts that residents use to purchase their meals, food, and sundry needs at all campus dining locations and convenience stores. The cost of each meal plan includes pre-paid dining debit dollars, which are added to the account at the beginning of each quarter.

For further information regarding the meal plans, please visit our website, cwu.edu/dining.

Note: Additions or changes to the meal plans offered after this document has been printed will be sent to each student who has submitted a residence hall contract for the 2019-2020 school year. A meal plan must be purchased every quarter. Money that remains in a student’s pre-paid dining debit account at the end of either fall or winter quarter will be rolled over and added to the meal plan pre-paid dining debit balance selected for the next quarter. At the end of the academic year (spring quarter), money that remains in the account is not refunded and is forfeited.

Dining Services is closed on holidays.

Exemptions to the meal plan requirement may only be for verifiable medical reasons. Exemption requests and medical verification must be submitted in writing and sent to Disability Services for evaluation. A committee comprised of Disability Services, Housing and Residence Life, and Dining Services will review all requests. Should an exemption be granted, a dining service cancellation charge of $300 will be assessed. Students with special dietary needs that may not be met by our dining service operation should NOT enter into this contract without consulting Housing and Residence Life.

Students who transfer from the residence halls to campus apartments must pay a $100 overhead charge. Such transfer students must initiate a start-up dining services debit balance of $200 per quarter (or any part thereof) left on the residence hall contract. Students transferring during fall quarter must have an initial balance of $300; those transferring during winter, $200; and those during spring, $100. This mandated balance must be established prior to approval of their apartment contract and is non-refundable. The mandated balance is valid only through the end of spring quarter for the current academic year.

25. Meal Plan Changes: Students are encouraged to review use of the prepaid dining debit account each quarter to ensure they are buying the correct meal plan to meet their dietary needs. Meal plans may be changed either through MyCWU or in person at the Connection Card Office, located in Bouillion 104. Telephone requests will not be accepted. Changes may be made during the University’s registration add/drop period only.

26. CWU Connection Cards: Campus identification cards are issued to all students and must be presented when using your prepaid dining debit account to purchase meals or snacks at any campus dining location. Should a card be lost or stolen, report it immediately to avoid its use by another individual and to arrange for replacement. Lost cards cost $35 to replace. Unauthorized use of your card by another individual is forbidden and may result in a $100 fine. (Cards cannot be borrowed.)

Connection cards showing normal wear and tear that no longer work may be replaced at no cost as long as the card is present for exchange. Damage to cards (hole punch, writing, stickers, bending, etc.) is strictly prohibited and the replacement fine will be charged.

27. Damage or Loss Fines and Cleaning Charges: Students must keep their assigned room clean and advise University staff of any necessary repairs. Following is a partial list of items for which the cost to clean, repair damages, and/or replace losses will be charged to the Student’s account ($35 minimum).
