HOUSING AND RESIDENCE LIFE

This student handbook is provided to help you maximize your residence hall experience. The information contained here can help:

- Enable you to become more familiar with our residence hall system, its services, programs, facilities, staff responsibilities, policies, and procedures;
- Acquaint you with the philosophy and goals of residence hall life at Central Washington University;
- Inform you of your rights and responsibilities as a residence hall community member;
- And serve as a reference guide throughout the year.

It is important that you have an overall understanding of the CWU residence hall program. This student handbook will answer many of your questions. Please take the time to thoroughly read it and get to know more about your campus home.

In addition, residence hall staff members are valuable resources who can provide clarification and information about the residence hall and campus communities. Please feel free to address any questions to hall staff.

DORM vs. RESIDENCE HALL

It has been a long, long time since the days of “dorm” mothers and 10 p.m. curfews. For the next nine months, your residence hall will be your home and should be treated as such. It will be a place in which you will learn much about yourself, grow tremendously, and have a lot of fun!

Dorm (dorm) n.
1. place for sleeping 2. building or part of one with sleeping rooms.

Residence Hall (rez id enz hol) n.
1. where college students develop personally or mature
2. a college building in which experiences and programs result in positive growth.

STATEMENT OF COMMUNITY

Living in a residence hall at Central Washington University means living in a community of students. This community is a dynamic place, composed of various people with different values, cultures, lifestyles, and attitudes. As members of the community, we must strive to understand the individuality and life choices of those among us. We can best learn from one another in an atmosphere of positive encouragement and mutual respect. We must possess a genuine desire to learn from those around us as well as give others the respect and tolerance we desire. Each person has a role to play in our residence hall community and should be allowed to do so.

CENTRAL WASHINGTON UNIVERSITY RESIDENCE HALL COMMUNITIES INCORPORATE THE FOLLOWING:

Education: To ensure that teaching and learning take place outside the classroom

Openness: So ideas and thoughts can be discussed freely

Respect: To ensure that the individual accepts obligations to the community and is held accountable for individual actions

Caring: To ensure that the individual’s well being is supported and that community engagement is encouraged

Involvement: So that all individuals have a voice in decisions concerning their community

Ownership: To ensure that all individuals care for their building facilities and adjacent property

Celebration: So that Central Washington University history and culture is included and so that residence hall traditions are shared

YOUR RIGHTS IN THE COMMUNITY INCLUDE:

To socialize in your room; to sleep and study without disturbance; to live in a supportive and stimulating community; to live in a safe, secure, healthy, and clean environment; to enjoy access to a variety of programs, services, and facilities; and to involve yourself and others in promoting an educational, open, respectful, caring, involving, and celebrative community.

YOUR RESPONSIBILITIES WITHIN THE COMMUNITY INCLUDE:

To consider the needs of other students in the community and balance them with your own needs; to promote care of the physical facilities, equipment, and services; to communicate with other residents and staff members to let others know when they are disturbing you; to demonstrate a commitment to the community by getting involved; to promote campus and individual safety; and to demonstrate dignity and respect for all individuals.

Living on campus at Central Washington University affords you many opportunities to face challenges head on, achieve in a variety of areas, and grow as an individual. However, these things only happen when you actively participate and support the community ideals stated here.

Adapted from In Search of Community, Ernest Boyer, Carnegie Foundation for the Advancement of Teaching.

COMMUNITY LIVING AGREEMENT

In an effort to encourage students who live in the residence halls to take ownership and responsibility for their living community, Housing and Residence Life has incorporated Community Living Agreements as a part of the foundation for residence hall policies. A Community Living Agreement (CLA) is a document that community members draw up together at the beginning of each year which enables them to become actively involved in developing the behavioral standards they will invest in, live by, and be held accountable for.

Each student, within the first few weeks of their arrival, will sit down with the members of their community and develop a set of value-based criteria that each person on the wing or floor will agree to live by. Additionally, the CLA will be revisited at the beginning of each quarter to allow for adjustments and changes. As each member of the community will sign the CLA, each member will be held accountable for the contents of the document that they had a part in developing.

The CLAs will include, but not be limited to: expectations of academic honesty, the creation of gracious space for students to express their feelings, opinions and ideas, abiding by university and state policies surrounding alcohol and drug use, safety, personal property, respect, and trust.
LIFE IN YOUR RESIDENCE HALL

In your new home, you will find:

RESIDENCE HALL COORDINATORS (RHC)
RHCs are full-time professional university employees with at least a bachelor’s degree. They are responsible for the overall management and administration of your hall. RHCs are available for support and information, or to help you with any of your needs. These live-in professional staff can be reached by calling their office or the Residence Life office at 509-963-1323.

RESIDENCE HALL MANAGERS (RHM)
RHMs are upper-class students who work with the RA staff to develop programs. They have prior experience as RAs. They assist with hall administration and referrals for university resources. RHMs also plan programs and enforce university policies and procedures.

RESIDENT ASSISTANTS (RA)
RAs are upper-class students and are here to answer your questions and provide referrals to university resources. They can help you with your academic, social, or personal concerns. PLANNED PROGRAMS

What are programs?
A program is an event designed to enhance learning and development. You’ll learn something and have fun at the same time. Sometimes these activities happen spontaneously on your floor, and sometimes your RA will plan an activity for all to participate. Periodically check your building’s newsletter and calendar for information about programs.

Why should I attend programs?
You’ll spend the majority of your time in your residence hall or complex. By attending programs, you will get to know other students in your hall and enjoy a wealth of information.

FIRST SIX-WEEK PROGRAM – PHASE IV OF ORIENTATION
The first six weeks of your transition as a first year student are extremely critical to your success in college. The beginning of your college experience is an exciting time where a lot can go right and some things can go wrong. These programs are designed to help you take advantage of everything Central has to offer you, and to help you avoid some of the common pitfalls. Watch for programs addressing common issues during the first six weeks of fall quarter. These programs are linked to your University 101 class.

YOU AND YOUR ROOMMATE

This section was prepared to assist roommates in learning about one another so they may be able to live together harmoniously. The variety of topics attempts to provide a broad cross-section of the potential encounters you will have when sharing living space. Your roommate needs to know your general personal background, your attitude and emotions, your values (feelings, attitudes, opinions), and personal preference.

The term “sharing” is most important here because residence hall living requires a concept of cooperation, whether it is with your roommate or with other residents on your floor. You can begin with a willingness to share some of yourself with your roommate. Open and honest communication usually ensures a satisfactory roommate relationship.

The questions outlined below are provided to help you get started. Take each question separately—be open, be honest, and be complete. If you have difficulty talking about an issue or subject, make note of it and tell your roommate that you would like to come back to it.

PERSONAL BACKGROUND:
You should start by using the questions below to give your roommate some basic information about yourself—where you grew up, information about your schooling, family, hobbies, interests, etc. Try to offer more than “I’m from Renton and I’m interested in the outdoors.”

Members of my family include:
I am glad to be away from home because:
I was not glad to leave home because:
I chose Central Washington University because:

PERSONAL VALUES:
In this section, you are being challenged to communicate—try and share ideas, issues, and values. Learn what you should know about each other. This is the most crucial portion of the you and your roommate section, because it will help establish the basis for your living arrangements.

- How do I want our room to be utilized?
- I expect our room to be…
- Who will clean what and when?
- How about friends and visitors in our room?
- My feelings about smoking are…
- My feelings about my personal belongings are…
- Grades and studying are…
- I prefer to study…

ATTITUDES AND EMOTIONS:
Attitudes and emotions (our feelings and how we express them) are an important part of us. We convey feelings both verbally and nonverbally. This portion of you and your roommate encourages you to clarify the emotions and attitudes that you express.

I am generally (reserved/outgoing/etc.)…

When I am:
- …angry, I generally…
- …frustrated, I generally…
- …sad, I generally…
- …concerned, I generally…
- …excited, I generally…
- …happy, I generally…

It is (easy/hard) to talk about my feelings. Why?
TEMPERATURE OF ROOM:
Do you like the room to be hotter or cooler? When is it okay to have the windows open? If you want to change the temperature, will you discuss it with your roommate first?

SLEEPING ARRANGEMENTS:
When do you usually go to bed? How much sleep is important for you to have? Can you sleep with the light on? With music or the TV on? What time will you wake up in the morning? How do you feel about overnight guests? When is it okay to have guests spend the night? How will you discuss this with your roommate if an issue arises?

QUIET AND STUDY TIME:
How do you feel about taking naps in the room? If you were making too much noise, how would you like your roommate to discuss this with you? When do you study? Is it OK to play music or have the TV on while you study? Would you prefer to have set study times? When you are studying with a group, is it alright to be in the room?

COMMUNICATION:
What do you need when you are stressed or upset? If there is a problem between you and your roommate, how will you handle it? Is there anything else you want your roommate to know about you?

CLEANING:
How neat and clean do you like things to be? Who will vacuum, dust, take out the trash and recycling, etc? Do you prefer to have special assignments or a cleaning schedule? How often will these things be done?

PERSONAL PROPERTY?
What items can be shared and which may not? Do you mind if people use your TV, computer, game console, etc? Do you want to be asked before things are borrowed?

VISITORS:
Are there times when it could be preferred that visitors not be invited to visit the room? How do you feel about visitors of the opposite sex? How do you feel about your roommate’s visitors using your belongings?

OUR REACTIONS TO EACH OTHER:
Last but not least, you are at the point of drawing some conclusions and identifying positive and negative factors in your living situation with your roommate.

Some things that I have learned from this discussion are…
An important difference between us is…
And we will work on this by…
My roommate and I agree that we will do the following, if conflict occurs between us…

ROOMMATE AGREEMENT
Successful roommates stick things out by helping one another through the good and the bad times. Don’t quit on your roommate. Communication is key in any relationship—especially with your new roommate! Developing a positive relationship with your roommate is a process. When you move into your residence hall, you will be provided with an online roommate agreement that will be found under your MyHousing account. We provide this agreement to you as a way to begin the process. As you write your agreement, try to be as specific as possible. When you are finished, you and your roommate will keep the large copy and your RA will file the small copy.

Roommates have the right…
- To read and study in one’s room
- To be free from unreasonable noise
- To the respect and safety of personal property
- To have access to one’s room and facilities without interference
- To be free of intimidation, harassment, physical and/or emotional harm
- To personal privacy
- To host guests (within established guidelines)
- To see reasonable cooperation from roommate(s)

Roommates have the responsibility…
- To adhere to rules and regulations
- To comply with reasonable requests made by staff or university officials
- To monitor and accept responsibility for the behavior of guests
- To report violations of rules and regulations to appropriate staff
- To respect the rights of others

LEADERSHIP OPPORTUNITIES
RESIDENCE HALL ASSOCIATION (RHA)
RHA, the largest student organization on campus, is a student-elected body that serves as a liaison between the students living in the residence halls and the university. RHA deals with residents’ issues and concerns, promotes positive change, and offers a variety of educational and social activities based on student needs and interests. RHA executive board elections occur in the spring. The board is comprised of the following positions:

President: Martin Mattis
Vice President/National Communications Chair (NCC): Megan Anderson
Secretary: Terry McCann
Treasurer: Haylie Rasmussen

To contact the RHA office, call 509-963-7210, or e-mail rha@cwu.edu. Join the RHA Facebook group at www.facebook.com/groups/CWURHA. Full-time professionals advise RHA.

RESIDENCE HALL LEADERSHIP COUNCIL (RHLC)
RHLC serves as the umbrella organization for Residence Hall Leadership Council (RHLC) in each of the residence halls. Residents elect officers in each hall that will represent their residents’ issues and concerns at RHA meetings. RHLCs also coordinate hall activities, community service projects, and participate in RHA campuswide-sponsored events. All residents are members of RHA and are encouraged to get involved in RHLC or RHA.

Elections for RHLC positions occur at the beginning of fall quarter. Students interested in a leadership opportunity are encouraged to run for a position. Information can be obtained by contacting RHA or a hall staff member.

RESIDENCE HALL ENVIRONMENTS AND INFORMATION
BUILDING SECURITY AND PERSONAL SAFETY
Each resident has the responsibility for respecting building security.
Buildings are locked 24 hours a day. Propping doors, including fire doors, is not permitted. To ensure maximum security, please observe the following guidelines:

- Make every effort NOT to lose room keys (or mailbox key where applicable)!
- It costs $35 per key to replace a lost or stolen room and entry key.
- LOCK your room when sleeping or away. For added security, doors are equipped with peepholes and safety chains.
- DO NOT open building doors to anyone other than residents of the building.
- When walking around campus at night, students are encouraged to walk with friends and to be aware of emergency blue light telephone locations.

COMMUNITY SPACE
All residence halls provide community living space for the purposes of socializing, studying, recreation, and programming. Each resident shares in the responsibility for maintaining the cleanliness and function of these areas, as well as using the space in appropriate ways.

ENTRY OF STUDENT ROOMS
The university reserves the right to have authorized personnel enter a student room for any of the purposes specified below:

- Suspicion of harm to self or others.
- Maintenance, custodial inspections, or emergencies (occupants will be informed that maintenance staff has been present).
- Routine or requested maintenance (occupants will be informed that maintenance staff has been present).
- Search or arrest warrants (University Police only).
- Concerns about community safety or facility damage.
- Protection of life, property, or evidence of a crime (University Police only).
- Persistent noise coming from a room when occupants are not present.
- During break periods when the hall is closed.

If an authorized person enters a room when the resident is not present, a written note will be left indicating who entered the room, when they entered, and the reason for entering. Generally, staff will not enter a student’s room to retrieve items for occupants who are not present or for other students who have left personal items in the room. Exceptions may be made, but staff will take precautions to protect themselves from possible liability and have the right to refuse such requests.

KEYS
For the safety of all residents, lost keys should be reported to hall staff immediately. Stolen keys should be reported to University Police. KEYS MAY NOT BE DUPLICATED. RESIDENTS MAY NOT GIVE THEIR BUILDING OR ROOM KEYS TO ANYONE. For charges, refer to the Housing and Residence Life and Dining Services Room and Board Contract.

LOCK OUTS
Students who lock themselves out of their rooms should attempt to contact their roommate(s) first. If the roommate is unavailable, contact hall staff to have another key temporarily issued. If hall staff is unavailable between 8 a.m. and 5 p.m., contact the Residence Life Office at 509-963-1323. After 7 p.m., contact the RA on call. Upon request, produce identification to verify occupancy. If a resident locks themselves out two or more times per quarter, there may be a referral to Student Rights and Responsibilities, fees, and termination of the Housing and Dining contract.

PARENTAL NOTIFICATION
CWU may notify parents regarding the following conduct situations:

- Documented behavior indicating a risk of harm to self or others.
- Documented violations of the controlled substance policy.
- Second or third violation of campus alcohol policies or state laws.
- Parents may be notified of a first-time violation of campus alcohol policies or state laws if it involves a medical emergency, vandalism, any violence or gross disrespect of residence hall staff or law enforcement officials.
- Students will be required to attend an alcohol or drug education and risk prevention class (with a fee) for first- and possible second-time violators. Failure to attend the class could result in required off-campus assessment (costing up to $100 or more). Third-time violation of policies and/or laws may result in suspension or deferred suspension, if recommended by the CWU office of student rights and responsibilities designated university hearing officer.

Off-campus violations of underage drinking or other infractions may be referred to the CWU Dean of Student Success office for sanctioning through the discretion of local court officials or law enforcement agencies.

PARKING
Permits are required to park a vehicle in campus parking lots. Lots are posted with appropriate requirements. Current rates are available by contacting the Parking Office. Also, there are two lots that allow for free parking. They are located at the corner of 18th Avenue and D Street and the corner of Alder Street and 18th Avenue. For additional information, contact the Parking Office at 509-963-2667.

PAYMENT
Room and board fees are due the fifth day of the quarter. For installments, please consult the residence halls and dining services payment schedule. Make all payments at the Cashier’s Office in Barge Hall. Each payment should indicate the name and ID number of the student. Fees not paid on or before the first due date may be assessed a $50 late fee and $100 after the second due date. Failure to bring an account up to date within 10 working days after late fee assessment may result in cancellation of meal privileges and eviction. Please refer to Term 20 in the Housing and Dining Services Room and Board Contract. A $200 security deposit will be kept on file until the student moves off campus.

PERSONALIZING SPACE
Students may decorate their room with lamps, rugs, bedspreads, posters, and other personalized items as long as it does not damage the room or cause a fire safety hazard. Keep in mind that tapestries and other items hung from ceilings are not permitted. Keep in mind that WHEN THE ROOM IS VACATED, IT MUST BE RETURNED TO ITS ORIGINAL CONDITION. Residents in violation of the outlined policies may be subject to disciplinary action, damage charges, and/or fines.

PUBLICITY AND LITERATURE
The distribution of free literature or commercial advertising is prohibited in residence halls and at the entries or exits of the buildings (WAC 106-140-034). Only U.S. Postal Service mail, individually addressed to the residents of the hall and official

Running Start students entering college for the first time, regardless of class standing, are also required to live on campus for one academic year. Students requesting an exception to the policies must apply through Housing and Residence Life in Button Hall or call 509-963-1831.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act affords certain rights to students concerning their education records. The primary rights afforded are the right to inspect and review the education records, the right to seek to have the records amended, and the right to have some control over the disclosure of information from the records.

Education records are those records, which are 1) directly related to a student and, 2) maintained by an institution or a party acting for the institution. FERPA gives students who reach the age of 18 or who attend a post-secondary institution the right to inspect and review their own records. An institution is not required to disclose information from a student’s education records to the parents of dependent students but may exercise its discretion to do so. Housing and Residence Life does not do this unless written approval has been granted by the student.

Section 952 of H.R.6, the Higher Education Amendments, allows institutions of higher education to disclose to parents violations of local, state and federal laws as well as institutional policies and rules governing use or possession of alcohol or controlled substances. Parental notification is one part of CWU’s sanctioning procedure for underage alcohol use and other university violations. (Refer to alcohol and other drugs section.) The university reserves the right to contact parents regarding matters that concern students safety and well-being.

RESNET

ResNet is the broadband Internet connection provided to on-campus students living in CWU’s apartments and residence halls. Basic ResNet service, as well as technical support, is included as part of your housing contract. This service offers a 15.0Mbps download speed and a 4GB per 24 hour quota.

PERSONAL ROUTERS AND WIRELESS ACCESS POINTS

These devices are not allowed on the ResNet network and are forbidden in the Acceptable Use Policy (AUP). Failure to comply with the conditions of the AUP will result in your Internet access being disabled, and could result in disciplinary action by the Office of Student Rights and Responsibilities.

RECOMMENDED COMPUTER SPECIFICATIONS

PC: Windows 7, 8, or 10
MAC: Mac OS X 10.5 (Snow Leopard) or greater

Other:
• Network Interface Card (NIC) or Ethernet adaptor if your computer does not have an Ethernet port.
• Network (category 5, Ethernet) cable. 15 feet is sufficient for most purposes.

RESNET ACCEPTABLE USE POLICY (AUP)

CWU reserves the right to change this policy at will and it is the student’s responsibility to know and understand the current policy. By using ResNet you are agreeing to the following:

1. You will have anti-virus and anti-malware software on your computer that is kept up to date and is configured to scan weekly. If your software is not up to date it may lead to an infection which in turn may result in your network access being disabled.
2. You will keep your computer updated for security fixes from the appropriate software update service (Windows Update on windows computers, Software Update on Apple computers). If your computer is not up to date it may lead to virus infection which in turn may result in your network access being disabled.

5. You are fully responsible for your computer, including its hardware, software, and any network traffic transmitted by it, regardless if this traffic was authorized by you or not. Please contact ResNet if you have questions about whether or not certain software/hardware might conflict with this AUP.

6. You will not use applications that consume disproportionate bandwidth, attempt denial-of-service attack(s), probe and/ or exploit security holes in other systems, use unauthorized IP addresses, attempt “hacking” or “cracking”, or otherwise degrade or restrict network access for others (either on or off campus).

7. Your network access will be disabled if CWU receives complaints about or detects inappropriate behavior. You may also be subject to computer account suspension, university disciplinary action, and/or legal consequences.

8. You may use the ResNet network for personal uses such as: Web browsing, transferring files, playing games, chatting, “internet phone”, etc. as long as access to these services is done in a legal manner.

9. You may set up private servers for personal uses such as: game serving, local file sharing, or other applications as long as these file servers do not violate CWU policies, which includes but are not limited to software and music copyright protection. These servers are only to be used by CWU students and may not be made available to non-residents.

10. You will not use network connections in CWU housing to provide any service that is visible off campus (i.e., available on the global Internet). This applies to services such as, but not limited to, HTTP (Web), telnet, FTP, IRC, “Napster” type music sharing, game servers, and email.

11. You will not impersonate others or attempt to gain access to accounts or computers that you do not have permission to use, or spoof NIC MAC or IP addresses on any computer to gain access to the network.

12. You will not run a DHCP (Dynamic Host Configuration Protocol) server that listens on a network interface that is directly connected to ResNet.

13. You will not configure your computer to provide Internet or CWU network/system access to anyone who is not a CWU faculty or staff member or student.

14. You will not configure your computer as a gateway into the CWU network (as a dial up server or any other means).

AUP VIOLATION PENALTIES

Penalties for AUP Violations are:

1st Offense: User’s internet/network access will be disabled for one week.

2nd Offense: User’s internet/network access will be disabled for two weeks.

3rd Offense: User’s internet/network access will be disabled until the student schedules a judicial review with the Office of Student Rights and Responsibilities for potential disciplinary actions.

During violation periods, students are able to access the university-owned computers but not their personal computers. Contact ResNet Support at 509-963-2001 for any questions about AUP violations.

FIRE SAFETY POLICIES AND EXPECTATIONS

COMBUSTIBLE MATERIALS

Combustible materials such as propane, gasoline, kerosene, and items containing combustible materials (i.e., lanterns) are not permitted in residence halls.

FIRE ALARMS

Legitimate fire alarms save lives. When activated, the alarm sounds in the entire building and EVERYONE must evacuate immediately. After activating an alarm, go to the nearest safe telephone (outside the building) and dial 911 to report the fire. Individuals falsely activating an alarm will face university disciplinary action, possible criminal prosecution, and may be charged for the cost of the fire department response, in addition to fines assessed by the university. Because of high-density population in the residence halls, the fire department responds to fire alarms with all available personnel and equipment. False alarms may leave the local fire department shorthanded in the event of a real fire.

FIRE DRILLS/EMERGENCY EVACUATION EXERCISES

Section 1303.3.5.1 of the 1994 edition of the Uniform Fire Code requires every residence hall to conduct a fire drill each quarter for the safety of staff and residents. All residents are required to exit the building within two minutes. University personnel are required to time the drill in each building. Failure to evacuate will result in disciplinary action and/or a $100 fine and another evacuation exercise to meet the two-minute requirement.

FIRE SAFETY EQUIPMENT

Damaging or tampering with fire alarm apparatus or equipment (i.e., sounding false fire alarms - RCW 9.40.100) is prohibited. FIRE EXTINGUISHERS are strategically located throughout each residence hall. Carefully follow the instructions on the extinguisher and use them ONLY in the event of a fire. EXIT SIGNS are sensitive pieces of fire equipment. Actions that result in the activation of a smoke detector, tampering with fire alarm apparatus and equipment (including removing batteries from smoke detectors), or false alarms may result in criminal penalties, as well as disciplinary action and/or fines.

FIRE ALARM APPARATUS AND FIRE EQUIPMENT ARE FOR EMERGENCIES ONLY! If a smoke detector is beeping, it is likely the battery needs to be replaced. Contact a custodian or call Housing and Residence Life if a smoke detector is emitting a beeping sound. If batteries are removed without replacement, the resident is liable for a $50 fine.

Before a fire occurs, you should prepare by knowing the location and route of your escape via the closest exit. A smoke alarm can wake you, but only an escape plan can save you. No items or persons should block or obstruct doorways or hallways. Fire exit paths should be clear at all times.

If a fire occurs, please follow the fire safety procedures outlined below:

- Keep your head low and move quickly to the nearest exit. Crawl, if you can, so you do not breathe smoke.
- Touch the door before opening it. Before touching the door handle, cover your hand for protection. Intense heat, deadly smoke, or gas may be on the other side. If the door is not hot, cautiously open it a few inches to check for heat, smoke, or flames on the other side. Keep your head
out of the way while first opening the door and be ready to slam it shut if any heat or smoke rushes in.

- Do not waste time getting dressed, looking for keys, or gathering valuables. Leave the building immediately and stay out.
- Call the fire department (911) from a safe telephone and report the location of the fire. Stay on the telephone until instructed to hang up.
- Alert other occupants of the building and the residence hall staff.

INCENSE AND OPEN FLAMES
Because of the risk of burning incense or an open flame left unattended, the use of such is prohibited in residence halls. Candles or lanterns may not be used even in the event of a power outage. Residents are encouraged to have flashlights or similar devices to provide emergency lighting. If the smell is noticed from an open flame or something burning, staff will enter to investigate.

SMOKING
In accordance with state law, smoking is prohibited in university buildings. This includes balconies, catwalks, and stairwells to residence hall rooms and public areas. Out of common courtesy, we ask that smokers refrain from smoking near entrances, windows that open, and ventilation intakes, and to properly dispose of cigarette butts in appropriate receptacles. Hookahs of any type are not allowed to be activated inside residence hall spaces. Also, for those that use coals, it is reminded that used coals should not be brought into the residence halls. Electronic cigarettes and vaping devices are not allowed to be used inside residence hall spaces. Students may establish further policies regarding distance one can smoke from the building in community living agreements. Fees can be assessed to clean drapes for those who violate smoking policy.

RESIDENCE HALL POLICIES AND EXPECTATIONS
Why are policies necessary? Residence hall policies exist to help create an environment that is conducive to your needs for safety, studying, socializing, and sleeping. Let’s face it—you will spend more time in your residence hall than any place else on campus. We want to ensure that your residence hall experience promotes your success at Central!

ABANDONED PROPERTY
When students leave property in the residence hall room or apartment, Housing and Residence Life staff will remove the property at $45 per hour. Additionally, a storage fee of $10 per day is charged to the student for a maximum of sixty days. If the property is not claimed at the end of sixty days, it is considered abandoned property and the university disposes of this property.

If a student wishes to claim their property during the sixty days, they are required to contact Housing and Residence Life office at 509-963-1831 to make arrangements.

ALCOHOL AND OTHER DRUGS
Central Washington University’s policy on alcohol (in all forms, including powdered alcohol) follows all local, state, and federal laws. Open containers of alcohol are prohibited in all public areas such as parking lots, common hallways, and lounges. A minor in possession or consumption of alcohol is an illegal act and will be handled by the proper authorities.

The university’s policy regarding the possession and consumption of alcohol and other drugs on campus was developed in keeping with Washington State law and the Governor’s policy on alcoholism and drug dependency. It is important to note that a majority of disciplinary problems and a large number of academic problems faced by students are alcohol related. The following is a list of points that summarize enforcement of the alcohol and drug policy in the residence halls:

- Controlled substances are not permitted in the residence halls (i.e. illicit drugs, improper/misuse of prescribed medications, and drug paraphernalia).
- No one under the age of 21 will possess or consume alcohol in the residence halls.
- Residents age 21 and older may possess and consume alcohol in the privacy of their own rooms with the door closed. (Except in a substance-free hall.)
- Residents over the age of 21 who have roommate(s) that are underage are reminded of the legal liability placed on them. (Except in substance-free halls.)
- Residents and guests may not consume alcohol in public areas or in the room of a resident who is under 21 years of age, unless one roommate is present who is over 21 (and not in a substance-free hall). The guest must be 21 or older.
- Residents may not consume or possess alcohol in substance-free residence halls.
- Residents age 21 and older shall not furnish alcohol to minors.
- Home brewing of alcohol is not permitted in the residence halls.
- Kegs, “partyballs,” tap systems, and similar large volume common source containers are prohibited. Additionally, large quantities of alcohol are not permitted.
- Residents who come back to the residence halls in an intoxicated state and/or violate hall policy, will be held responsible for violating those policies and all alcohol policies that apply.
- Marijuana, including medicinal marijuana, is not allowed in any CWU facility or on the CWU campus.

In support of a substance-free and academic environment, residents living in first-year residence halls are not permitted to have any paraphernalia related to the consumption of alcoholic beverages. This includes, but is not limited to, empty bottles, cans, and containers. This helps the residence hall staff ensure a community environment that enhances the out-of-classroom experience.

Off-campus violations of underage drinking may be referred to the CWU Office of Student Rights and Responsibilities for sanctioning through the discretion of local court officials or law enforcement agencies.

ANIMALS
Students are not allowed to have animals in the residence halls except for aquarium-bound fish. Tanks may be no larger than 25 gallons. Residents must maintain responsibility for the aquariums at all times. Violators of this policy may be subject to disciplinary action, eviction and/or cleaning fees up to $500 associated with damages.

Other animals, such as companion, therapy, emotional support, comfort and “psychiatric service” animals that are not specially trained to perform a disability-related service may not be allowed in CWU residence halls and/or university-owned apartments. The decision about whether an emotional support animal constitutes a reasonable accommodation is made on an individual basis by
Disability Services based on detailed information provided by the student’s medical provider and other factors. Once a determination regarding the reasonableness of the request has been made, Disability Services will advise Housing and Residence Life and a final decision will be made to allow or disallow the student’s request. The animal must be in the owner’s possession while the owner is in the residence hall.

Qualified “service animals” (as defined by state and federal law) are allowed on the CWU campus and in Housing and Residence Life facilities if approved by Housing and Residence Life. Determination of eligibility is made on a case-by-case basis by Disability Services/ADA compliance officer and Housing and Residence Life. Refer to the following service animal policy. The care of an approved animal is the student’s responsibility.

Central Washington University complies with all federal and state fair housing laws and regulations which are applicable to university housing, including those related to assistive animals. The United States Department of Housing and Urban Development (HUD) compliance guidelines define assistive animals as those that are verified by a qualified medical professional that the service animal accommodates the disabling condition and the rationale for the use of the service animal.

Disability Services collects and reviews disability documentation from students who request accommodation in university housing. Housing and Residence Life makes the formal decision regarding assistance animals in university housing. Students are responsible for the care of the service animal at all times.

Animals not approved through this process will be considered “pets” and are not allowed in university housing (excluding aquarium-bound fish in tanks that may be no larger than 25 gallons.) Refer to the preceding pet policy.

APPLIANCES/FIRE SAFETY
Avoid overloading outlets with too many cords and do not use extension cords with frayed wiring or poor connections. Check the wiring and casing on appliances. Small appliances (i.e., coffee pots, popcorn poppers) are allowed when used with extreme caution. The wiring system is NOT intended for items that place a heavy load on the system, such as AC units and microwave ovens (other than the microfridge units provided in your room). If potential problems exist, with university appliances, wiring or electrical systems, notify Housing and Residence Life. After business hours, notify a housing staff member. Additionally, it is recommended that surge protectors be used for stereos and/or computers. Residents are not allowed to use hot plates, smokeless grills, toaster or toaster ovens, or appliances with exposed heating elements and should not cook in residence hall rooms where kitchens are not provided other than in the approved microfridge unit. You may use them in designated kitchen spaces within the hall.

CHEWING TOBACCO
Residents are permitted to use chewing tobacco except in designated first-year and substance-free buildings. They are reminded, however, that spitting is permitted only in an appropriate container.

COMBUSTIBLE MATERIALS
Combustible materials such as propane, gasoline, kerosene, and items containing combustible materials (i.e., lanterns) are not permitted in residence halls.

COMMUNITY SPACE
All residence halls provide community living space for the purposes of socializing, studying, recreation, and programming. Each resident shares in the responsibility for maintaining the cleanliness and function of these areas, as well as using the space in appropriate ways. Never is a pornographic theme appropriate. Please see statement on Sexual Harassment on page 16.

COMPLIANCE WITH UNIVERSITY OFFICIALS
Residents are required to comply with the requests of university officials at all times. These officials include professional and student staff members of Housing and Residence Life, University Police Services, Student Success staff, and facilities’ staff members.

DAMAGES TO ROOMS AND PUBLIC AREAS
Residents are accountable for damages which occur as a result of personal negligence or vandalism. When found to be responsible, a resident may be charged for damages occurring in public areas, as well as in their room. All damage charges are billed to the student’s account. They may be appealed according to WAC 106-124-011.

DOCKING OR THROWING SUBSTANCES OR OBJECTS FROM WINDOWS
For the safety of everyone, residents are not permitted to drop, hang, or throw objects from or at residence hall windows,
balconies, or ledges. This includes bodily fluids, snow, or substances of any kind. Residents must also refrain from throwing objects through windows from the outside. (This policy includes throwing keys to friends outside.)

ENTERING AND EXITING BUILDINGS
Residents and their guests may enter and exit buildings only through doors designated for entry and exit. Entry and exit through windows is prohibited. Students who do not live in the building must be escorted by a student living in the residence hall at all times unless prior approval is received from Housing and Residence Life.

FACILITIES USE/ACCESS
Residence hall building use approval is solely a designated responsibility of Housing and Residence Life (WAC 106-140-401). Common areas in residence halls (lounges and lobbies) are for the use of the building’s residents and their guests. Only groups or individuals invited by residents or staff may make informative or educational presentations to hall residents in the hall lounge. The residence hall staff will monitor and schedule such presentations. University Police have been approved to be present in the residence halls to interact and meet students.

No group or individual may schedule residence hall common space for regular meetings or activities (e.g., campus club meetings, Bible studies, political groups, etc.) except for activities directly sponsored by the hall and made available to all hall residents. Presentations or activities may not include the sale of products or services, nor may residence hall facilities be used for personal profit or gain. Door-to-door selling is also prohibited (WAC 106-140-040). Meeting space in the SURC for campus clubs and organizations can be requested through the University Scheduling Center. Usage of the Barto lawn or lounge can be requested through the Residence Life office.

FURNITURE
Housing and Residence Life supplies each room with basic furniture, which differs depending on the hall. Students may bring their own furniture to supplement what is provided. However, university-owned furniture moved from a room or common-use area without prior written authorization from Housing and Residence Life may result in a charge of $50 (or actual replacement cost, whichever is greater). Please refer to Terms 13 and 28 of the Housing and Dining Services Room and Board Contract. Also, it is important to consult with your roommate prior to bringing furniture to your space so that all parties agree to have it in the room.

GUESTS/ESCORTS
Guests (nonresidents of a particular hall) are expected to follow all policies of the university. Residents are responsible for their guests and all actions of the guests while in the halls. Guests must be escorted at all times in any area (excluding opposite gender bathrooms). Guests are permitted to only use public restrooms or community restrooms designated for their identified gender. Any overnight guest not assigned to that particular room, may stay in a room only with the prior approval of the roommate(s). Guests may stay no more than three days and two nights in any one week anywhere in the building or in any residence hall on campus. It is the resident’s responsibility to inform hall staff of the presence of any overnight guests. When guests violate University Policy, the resident is also responsible for guests actions. Guests should never be given keys to access rooms on campus. Guests may not be left in a building without the resident present. Lastly, each roommate is responsible for reporting violations that occur in their room (including roommates). Each roommate has a responsibility to report any violations occurring in the residence hall room. In addition, violation of roommate agreements that are established with the hall staff could lead to additional sanctions including a possible move from the room. Also refer to Trespassing policy on page 16.

Cohabitation is defined as when a resident, contracted for that room, is sharing their space with a person who is not assigned to that room. Cohabitation that includes behavior that infringes upon the roommate’s and/or living community member’s right to privacy and sleep is PROHIBITED and, when brought to the attention of residence hall staff, may result in action as described in the student code of conduct.

LEDGES, ROOFTOPS, AND ATTICS
For students’ safety and to protect against building damage, residents, and their guests are never permitted on rooftops or ledges. Violation of this policy may result in disciplinary action and/or a university fine not less than $50. Students are prohibited from entering any secure space such as attics, basements, or mechanical rooms or climbing railings or exteriors of buildings.\n
PRIVATE ENTERPRISE
The assignment or lease of any university property excludes the right to use the premises for business purposes, storage of salable commodities, or any purpose other than as a personal residence.

QUIET HOURS / NOISE ORDINANCE
The City of Ellensburg has a noise ordinance, which is enforced by University Police. Residence hall community quiet hours are 10 p.m. to 7 a.m. daily and are consistent with the city noise ordinance. Students in violation of the noise ordinance may be cited by police and/or face university disciplinary action.

Residents are responsible for maintaining a noise level satisfactory to other community members. During “quiet hours,” the level or volume of noise must be contained within the confines of the room. If noise is heard beyond the room walls and door, residents are responsible. A neighbor, staff and/or University Police may address the situation. As in all situations, cooperation is expected in resolving the matter.

The university asks that students always observe “courtesy hours” when quiet hours are not in effect. Specifically, the needs of a student who wants to study will generally be given precedence over a student who wants to play their stereo or produce other types of noise. Hall staff will mediate disputes over differing perceptions of acceptable noise levels. Noise should never be heard from a residence hall room to an outside location.

SANITATION AND CLEANLINESS
Any action or inaction that compromises the cleanliness of the hall environment or that is considered unsafe or unhealthy is prohibited. Upon notification, students shall comply with all Housing and Residence Life Requests pertaining to correction of health and safety violations in and around their assigned room or in community spaces within the hall.

- Health Code: All residents shall comply with city, county, and state codes regarding health and safety.
- Improperly disposing of garbage: Students are responsible for the disposal of personal garbage. Garbage and recycling must be properly sorted and taken to the designated receptacles in or near the hall. Personal trash from resident rooms may not be put in community trash cans in the halls.
- Cleaning game: Skinning, cleaning, or butchering animals is strictly prohibited in the halls or the immediate vicinity.
• This policy may also include, but is not limited to, pest control; misuse of drinking fountains, sinks, showers, and toilets; failing to clean up after personal grooming; or not cleaning up after using community spaces within the hall.

SCREENS AND WINDOW STOPS
The university considers screens and window stops safety equipment. Removal of or damage to these items may result in disciplinary action, evi- dence and/or a university fine of $50.

SEXUAL HARASSMENT
Consistent with the university’s policy on sexual harassment, the residence hall communities maintain a living environment that is free from sexual harassment. An individual found in violation of this policy will be subject to informal or formal disciplinary action. A pornographic theme in community space is never appropriate. If you need assistance, please contact the Wildcat Wellness Center at 509-963-3213.

SKATEBOARDING
Skateboarding is permissible on campus in compliance with WAC 106-116-856. Use of skateboards and similar types of devices is not permitted in any university building.

SOLICITATION AND POSTING
Organizations may not solicit in the halls unless it’s directly related to residence living. Approved solicitation requires prior approval by Housing and Residence Life. Organizations not related to Housing and Residence Life may have material posted provided they have been approved through the director of Residence Life, and stamped by the Scheduling Center. Once approved, materials need to be delivered to the Housing and Residence Life office for distribution. If students wish to post elsewhere on campus, items must be stamped and approved by the Scheduling Office in the Student Union and Recreation Center.

SPORTS IN THE RESIDENCE HALLS
To promote consideration of others and to protect facilities and fire safety equipment, residents may not play sports in the residence halls. This includes, but is not limited to wrestling, running, skateboarding, hoverboarding, riding bicycles, and the tossing, throwing, or kicking of any items. Use of skateboards and similar types of devices is not permitted in any university building.

TRESPASSING
Individuals with no connection to the residents in a building will be asked to leave the building. Guests of residents, whose behavior is not appropriate for the community, may also be asked to leave by hall staff and/or University Police Services. Residents are responsible for the behavior of their guests. The university also reserves the right to deny access to residence hall buildings to non-residents at any time. Also refer to Guests/Escorts policy on page 15.

WATERBEDS
Waterbeds are not allowed in university housing.

WEAPONS
No person shall have in his or her possession any gun, pistol, firearm, explosive, dangerous chemical, or other dangerous weapon or instrument (including but not limited to paintball guns, swords, long knives, etc.) on university-owned or leased property. Violators of this law shall be subject to appropriate disciplinary or legal action including possible termination of the violator’s housing contract or lease.

Anyone arriving on campus with a firearm must take it directly to University Police Services, 14th Avenue and Wildcat Way (O-5 Parking Lot). At this office, a police officer will check the firearm in and out of university-provided storage vault. This service is offered free of charge. See Term 10 of the Contract Terms and Conditions for more information. Ammunition cannot be stored in residence halls. Ammunition should be stored at an off-campus location.

DISCIPLINARY PROCEDURES AND SANCTIONS
Housing and Residence Life, in conjunction with the Office of Student Rights and Responsibilities, addresses residence hall behavioral problems. If a student’s behavior results in documentation by staff, other residents or campus police, that student may be required to attend a conduct meeting with one of the following formats:

• Follow-up discussion with hall staff
• Large-group warning meeting with Student Rights and Responsibilities staff
• Hearing and/or meeting with residence hall coordinator
• Hearing with Housing and Residence Life office

PARENTAL NOTIFICATION
CWU may notify parents when their underage (under 21) student has a second- or third-time violation of campus alcohol policies or state laws. First time notification of parents may occur if the violation includes a medical emergency, vandalism, any violence, or gross disrespect of residence hall staff or law enforcement officials. Students will also be required to attend the “Alcohol Skills Training Program” prevention class (with a $20 fee) for all first- and possible second-time violators. Failure to attend “Alcohol Skills Training Program” could result in required attendance at an off-campus assessment (costing up to $100). Third-time violation of policies and/or laws may result in suspension or deferred suspension, if recommended by the CWU Office of Student Rights and Responsibilities. Violations of local, state, or federal laws while on or off campus may be referred to the CWU Office of Student Rights and Responsibilities for sanctioning through the discretion of local court officials, law enforcement agencies, or university officials.

DUE PROCESS
• An electronic and hard-copy letter from Office of Student Rights and Responsibilities will be sent to the student.
• The letter will indicate incident date, alleged policy violation, and timeline for meeting.
• Student will have access to the Student Conduct Code prior to the meeting with the conduct officer.
• Meeting with student and university hearing officer will take place to determine outcome of alleged policy violation and responsibility.
• If student fails to appear at the scheduled hearing, the university hearing officer will review and decide responsibility and sanctions without the student present or place a hold on the student’s account.
• Letter indicating meeting and outcome will be sent to the student.
• Students have the ability to appeal disciplinary action taken against them in accordance with WAC 106-125-045.
As a result of a conduct hearing, one or more of the following sanctions may occur:

- No action

- Issue an official warning
- Require payment of fines or damages
- Issue a probation
- Issue a deferred suspension
- Issue a suspension
- Eviction
- Expulsion

The written petition must be filed within 10 days after the notice of assessment is sent to the student. ### SERVICES RENDERED BY THE UNIVERSITY

#### CABLE

Basic cable TV along with Showtime® are included in room and board rates and are accessible through a coaxial-cable connection from a TV to the wall socket supplied in the room. Individual arrangements must be made with the local cable company to receive premium channels. If you are having problems with your cable, contact Housing and Residence Life. Do not contact the local cable company. Cable requires digital televisions.

#### E-MAIL/COMMUNICATION AND NOTIFICATION

Each student is assigned a CWU e-mail address. This is considered a formal communication tool of the university and should be checked regularly. All package notification (excluding those delivered by the United States Postal Service) will be done through the CWU e-mail accounts. In addition, all student conduct information will be sent to your e-mail account and students are accountable to any meetings sent via e-mail.

#### KITCHENS

Many residence halls have a community kitchen area. Residents who use the kitchen area are responsible for cleaning it after use. The residence hall may have utensils, pots, or pans to check out—contact an on-duty RA or residence hall staff. Additionally, microwave ovens are provided in residence halls.

### LAUNDRY ROOMS

Washers and dryers are provided by Housing and Residence Life. The laundry facilities within each hall are to be used solely by the residents of the respective hall. If a resident allows a non-resident to use the laundry facilities, the resident’s account may be charged $25. NOTE: The university is not responsible for lost or stolen items.

Packages are received after noon on weekdays. Office hours are Monday through Friday, 2 p.m. to 7 p.m. Photo identification is required.

### UTILITIES

The university provides heat, electricity, and basic cable TV service to each room, plus water and sewer services to bathroom areas. Centrally located refuse/recycling containers are supplied for your garbage needs.

### MAINTENANCE AND RELATED SERVICES

#### REPORTING MAINTENANCE PROBLEMS

It is the resident’s responsibility to immediately report room damages or deficiencies to either the residence hall manager, RA, or facilities services at 509-963-3000 or www.cwu.edu/facilities so that repairs can be made. The response time will depend on the nature and severity of the maintenance problem, but we will respond to all problems in a timely manner. When calling about a maintenance problem, it is important to give your name, residence hall, room number, and telephone number. Please be very specific about the problem and location. We want to help keep your residence hall and room in an orderly condition by repairing items when they become faulty or damaged.

If a problem occurs after normal business hours or on weekends, call your residence hall manager or RA and he/she will determine if the problem is severe enough to call a maintenance person. If you cannot locate your residence hall manager or RA and you believe there is an emergency maintenance problem, call facilities services at 509-963-3000 and they will notify the appropriate people. If you call University Police to report an emergency and a maintenance person is called, you may be charged for their time if it is not an emergency.

The definition of emergency maintenance is:

- Something that could or will cause physical harm to resident(s)
- Something that could or will cause physical damage to property or structures

Examples of emergency situations that require maintenance personnel to be called are:

- Gas leaks
- No heat (outside temperature is below 50 degrees)
- No electricity
• Water leaks or broken water lines
• Frozen water pipes
• Plugged sewer lines and/or toilets

Examples of non-emergency situations that do not require maintenance personnel to be called after normal business hours are:
• No hot water
• No heat when temperature is above 50 degrees
• Removing objects from drains such as contact lenses, rings, etc.
• Plugged sinks or bathtubs

Report all necessary repairs immediately—minor problems can quickly become major ones with major repair costs to match. All maintenance costs to Housing and Residence Life are eventually reflected in room and board rates. If your neglect or abuse causes damage, you are liable for repair/maintenance.

Residents are not permitted to modify either the inside or outside structure of their room or the room area without written permission from Housing and Residence Life. This includes: adding additional shelving, painting, papering, installing air conditioning units, or antennas.

Maintenance personnel usually are on a tight schedule and unable to perform maintenance that is not listed on the work order. If you need additional maintenance repairs, call and request another work order.

MAINTENANCE PERSONNEL RESPONSE PROCEDURE
The university shall respect the student’s right to privacy. However, the university maintains the right to have authorized entry into your room when there is reasonable cause to believe that:
• There exists an immediate threat to the health or safety of the occupants.
• There exists a need to protect property (university or private).
• It is necessary for university personnel to close and secure a room or to repair, replace, or inspect university property.

The university also reserves the right to enter a room without notice during reasonable hours when necessary to provide maintenance, service, repairs, improvements, etc., or to make inspections when no one is home. A card will be left by maintenance or housing personnel stating when they were in your residence hall room and what was done. The times between 9 a.m. and 5:30 p.m. have been designated as reasonable maintenance times.

When responding to a maintenance request or need, staff are to:
• Knock on the door of the room, wait 15 to 20 seconds, and knock again. If there is no answer at the door or no indication that someone is home, they are to use their master keys, open the door six or seven inches and call out to see if anybody is home by announcing themselves. If there is no answer, they are to proceed into the room and do the necessary work.
• Clean up behind themselves after a job is completed.
• Report any breakage or damage beyond normal wear and tear for billing to the resident.

Report all pest concerns to Housing and Residence Life at housing@cwu.edu  or via phone at 509-963-1831.

BATHROOMS
Residents are responsible for cleaning bathrooms in their rooms or suites. Common-use bathrooms are maintained by the custodial staff, but please be respectful of other residents and custodial staff and keep them clean. Notify residence hall staff and/or Facilities Management at 509-963-3000 of any maintenance problems.

RADIATORS
Most rooms are equipped with their own steam radiator that is controlled by adjusting the thermostat mounted on the wall of the room. During freezing weather, NEVER COMPLETELY TURN RADIATORS OFF! Doing so may cause the radiator to freeze and result in extensive water damage. The cost of repair is the RESIDENT’S responsibility. Keep electrical wires away from heat sources; the vinyl covering can melt and create a hazard. Problems with the radiators should be reported to Facilities Management at 509-963-3000.

MOVING IN
CHECK-IN PROCEDURE
When you arrive on CWU’s campus, report directly to your assigned residence hall. At your residence hall, you will be greeted by your residence hall manager, RHC, and/or resident assistants (RAs). You will also receive information on your new home and go through a formal check-in procedure with one of the above people. At this time, you will receive a room key, mail key if applicable, and residence hall inspection form that must be carefully reviewed. It is your responsibility to note additional comments or discrepancies listed on the form. Make sure to alert a staff member about your concerns with the room so that they can contact the maintenance staff to fix any problems.

Once your room inspection is completed and the inspection form is signed, you will receive additional keys to your new home. Residents receive an entry key, a room key, and a mailbox key. If your residence hall has mailboxes with combinations, you will be supplied with the combination. Please do not lose your keys. If keys are lost, a re-key charge is assessed to your student account (see Term 27 of your Housing and Residence Life and Dining Services Room and Board Contract). The keys should always be in your possession.

CHANGING ROOMS AND/OR HALLS
Housing and Residence Life is committed to maintaining flexibility in room assignments. Requests for transfers are accepted at Housing and Residence Life at the beginning of each quarter on Transfer Day (the third Thursday of each quarter) on a first-come, first-served basis. Requests are made through MyHousing. If a request cannot be accommodated, the resident’s name will be placed on a waiting list. Room transfers are not permitted prior to Transfer Day without written Housing and Residence Life approval. Students who change rooms without proper authorization from Housing and Residence Life will be charged a minimum of $25, will be required to move back to original assignment, and the incident will be forwarded to the Student Rights and Responsibilities office. When the request is approved, students are required to move within 48 hours.

After Transfer Day, residents may contact their Residence Hall Coordinator to discuss potential room transfers. The transfer needs residence hall staff approval. The staff will request any student wanting to move after transfer day because of roommate conflicts to meet with the staff member and the roommate with whom the individual has a problem. The professional staff and Housing and Residence Life will consult on the feasibility of a move and will make the final decision on any room changes. There are times of the quarter where room transfers are not allowed due to incoming students or other student needs.
ACCOMMODATIONS DURING BREAK
Students are asked to vacate their rooms within 24 hours of their last final examination of the quarter. Accommodations during applicable break periods are not included in the contract. Residence halls close during Winter Break but remain open at no charge for Thanksgiving Break and Spring Break.

PERSONAL DAMAGES / LOSS LIABILITIES
The university accepts no responsibility for loss to the student because of earthquakes, fire, theft, or water damage, or for loss of monies, valuables, or other personal property. Housing and Residence Life has information on property insurance that is available through a private insurance carrier.

MOVING OUT
TERMINATION OF CONTRACT
The student may terminate this contact at will under the provisions, terms, and conditions noted in Term 15 of the Housing and Residence Life and Dining Services Room and Board Contract.

Petitions to cancel for exceptional reasons must be submitted in writing to the senior director of Housing and Residence Life. Each petition will be reviewed on its merits and a decision rendered in a timely manner.

If you wish to move into an on-campus apartment, consult with Housing and Residence Life for eligibility and availability. Moving from a residence hall to an on-campus apartment is not considered a breach of contract. Prior to the approval of your transfer, you will be required to pay an overhead charge in the form of a mandated debit account to Dining Services as described in Term 15 of the Housing and Residence Life and Dining Services Room and Board Contract. The overhead charge is $100 per quarter for each quarter remaining on your residence hall contract (the current quarter counts as ONE quarter.) This pre-paid account is valid for dining purchases only and is not refundable. The account will be closed at the end of the current academic year.

If the student needs to withdraw from the university, the offices of Academic Services, Financial Aid Office (if it reverses aid), Dean of Student Success, and Housing and Residence Life must be contacted. Students are required to vacate within 24 hours of withdrawal.

CHECK-OUT PROCEDURE
When you vacate your residence, you must complete a formal check-out procedure with your residence hall manager, a resident assistant (RA), or RHC. Clean the room before checkout time to the quality it was or better when you moved in. At checkout time you are required to return all university-issued keys for your room and hall. Be aware that discrepancies in your check-in and check-out information addressing damages or loss to university property may result in a charge to your account, as well as a cleaning fee when necessary. Students are charged for the room until a check-out is completed.

IMPROPER CHECK OUT
Not surrendering your keys, cleaning your room, and/or restoring the room to original check-in condition (except for maintenance problems that were reported during check in), and failure to be prepared for your scheduled checkout may result in an improper check-out fee of $35, charges for unsurrendered keys, and possible liability for continuing rent.

To checkout during the academic year, contact residence hall staff 24 hours prior to your check out to schedule an appointment. At the end of each term, look for instructions that may increase checkout appointment expectations and instructions.

UNIVERSITY POLICE SERVICES
University Police and Parking Services is responsible for reporting crime statistics in compliance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” Central’s annual security report is available at www.cwu.edu/police. It contains information regarding crime prevention programs, the law enforcement authority of the University Police, policies concerning the reporting of crime, crime statistics for the most recent three-year period, and other information about security that is required by law. A paper copy of the information is also available upon request by writing to: Central Washington University Police, 400 E. University Way, Ellensburg, WA 98926-7527.

STUDENT CONDUCT CODE
Refer to WAC 106-125 for complete code. Current policy is available in the Office of Student Rights and Responsibilities in Bouillon Hall, room 205. Please refer to the most up-to-date policies at www.cwu.edu/student-rights.

I. AUTHORITY – JURISDICTION
(2) The student conduct code shall apply to student conduct that occurs on university premises and to conduct that occurs at or in connection with university sponsored events, programs, or activities. This code may also apply to other student conduct occurring off campus (or in nonuniversity electronic environments) when the university deems such conduct to threaten safety or security or otherwise adversely impact the university community. Students shall be responsible for their conduct from the time of acceptance for admission or registration through the actual awarding of a degree or other certificate of completion. The university shall have authority to revoke a degree or other certificate of completion based on prohibited student conduct that is found to have occurred before the award of such degree or certificate. Student organizations affiliated with the university may also be sanctioned under this code for the conduct of their student members.

(4) Nothing in this student code shall be construed as authorizing the university to prohibit or to discipline protected speech or other conduct that is protected by law or constitutional right.

II. PROHIBITED STUDENT CONDUCT
Prohibited student conduct includes engaging in, attempting to engage in, or encouraging or assisting another person to engage in, any of the conduct set forth in this section. MEAL PLANS 101

DINING OPTIONS AND PLANS

Meal plans are the easiest and most convenient way to purchase meals, snacks, espresso, and a variety of other items on campus. Dining Services offers five different meal plans for students living in traditional university housing.

The prepaid meal plans allow residents to make purchases from all campus dining locations and convenience stores. Each plan provides dining debit dollars to a student’s account at the beginning of each quarter in three equal amounts. The five dining debit plans are:

- Plan 1 – A; average 18 Meals a Week**
- Plan 2 – B; average 16 Meals a Week**
- Plan 3 – C; average 14 Meals a Week**
- Plan 4 – D; average 12 Meals a Week**
- Plan 5 – Liberty Plan (for Kennedy residents)

**Number of meals is approximate.

Dining dollars are the amount of money directly deposited (approximately 35 percent) on the student’s account each quarter for food purchases. The student only pays for the price of food at the register. They do not pay sales tax! That means students pay 65 percent less than the average retail customer at all dining services
restaurants. The remaining money from each plan (approximately
65 percent) contributes to operational business costs (salaries,
repairs, and utilities), supplies, and operations.

Meal plans are renewed quarterly. Each quarter you will be
charged the amount of the meal plan you choose. It is university
policy that if you live on campus in a residence hall you must
purchase a meal plan. Please read and discuss the information
below very carefully. Consider your customary eating habits and
choose the plan that best reflects your lifestyle. Any money that
remains on your plan at the end of fall and winter quarters will be
added to the following quarter’s meal plan. At the end of spring
quarter, remaining money will not be refunded, credited to summer
quarter or the coming year.

PRICING
Pricing in campus dining facilities is competitive with prices
throughout the Kittitas Valley. Every summer our “pricing
committee,” made up of students, staff and management, visits a
variety of restaurants, espresso bars, and grocery stores to gather
prices on items similar to those sold on campus. Dining Services
management reviews these prices, then takes into consideration
our cost of goods, labor, and overhead (utilities and debt service)
to establish campus pricing. Our goal is to cover expenses and
provide excellent food at a fair value.

YOUR MEAL PLAN TOP FIVE
1. Each plan is an account set up with prepaid dining dollars for
purchasing meals and snacks on campus. The cost of each
meal/food item you purchase is deducted from your meal plan
account balance.
2. Your meal plan option may be changed at the beginning of
each quarter, until the “Add-Drop” period closes. Otherwise
no changes will be allowed. These changes are made at the
Connection Card office in the Student Union and Recreation
Center or online at www.cwu.edu/housing.
3. Unused dining dollars in your meal plan account carry over
from fall quarter to winter quarter and winter quarter to spring
quarter. There are no refunds or credits of unused dining
dollars at the end of spring quarter. You are responsible to
manage your meal plan account balance. The Connection Card or Dining office staff can assist you in reviewing the
meal plan options you have selected to make sure you are
getting the best dining value.
4. You may purchase meals/snacks for guest(s) with your meal
plan account. Your meal plan allows you to purchase food and
snacks up until 10 p.m. five days a week. Refer to the Meal
Schedule on our Web page for specific times.
5. If you run short on dining dollars, additional money can be
added in increments of $20 at the Cashiers Office in Barge
Hall or at the Connection Card office in the Student Union
and Recreation Center.

GET CONNECTED!
YOUR CWU CONNECTION CARD
After you select a meal plan that fits your individual style, the CWU
Connection Card is your ticket to all dining locations on campus,
and serves as your campus identification card. Your Connection
Card is linked to your declining balance meal plan and acts like a
debit card. Each time you purchase a meal, snack, or item in one
of our dining locations, simply present your card to the cashier and
the amount of the purchase is deducted from your account balance.
Remember, you will need your Connection Card to make purchases
in all dining locations, so don’t leave home without it!

IMPORTANT FACTS ABOUT YOUR CONNECTION CARD
1. Your Connection Card is non-transferable. ONLY YOU CAN
USE IT. Misuse fee of $100 will be assessed if you loan your
card to anyone (Listed in your contract).
2. If you lose your Connection Card you must purchase a
replacement card, for $20 ($35 if used as a key access
card). Replacement fee is also in effect for cards that show
intentional damage such as hole punches, writing, bite marks,
etc. Cards that do not work properly due to normal wear and
tear may be replaced for free.
3. Your ID card is valid only as long as you are enrolled as a
student at CWU. The Connection Card Office is located in the
Student Union and Recreation Center building in room 131.
The office is open from 8 a.m. to 5 p.m., Monday through
Friday.

The CWU Board of Trustees approves housing rates spring quarter for the following academic year. The payment schedule detailing housing and dining charges will be sent with the room assignments. Send all payments to: CWU Cashier’s Office, 400 E University Way, Ellensburg, WA 98926-7490. On each check or with each payment, indicate the student’s name and student’s identification number. Failure to bring an account up-to-date within 10 working days after the second late-fee assessment may result in cancellation of meal privileges and eviction. If eviction proceedings are necessary due to non-payment of fees, an eviction administrative fee of $50 will also be assessed. A late charge of 1 percent will be assessed 30 days after due date.

21. Deferments for Scholarships, Loans and/or Grants: When payment of the residence hall room and board charges or fees is to be made from monies the applicant receives from grants, loans or scholarships, such sums are due upon receipt by the Student of such grants, loans and/or scholarships.

22. Consolidation Rooms: When space is available, University Housing may offer the Students an option for reduced occupancy in the room or suite. There is an additional charge for Students who live in rooms which are not occupied to capacity but wish to retain the reduced occupancy to give the remaining resident(s) additional space. The reduced occupancy option may include: super-single rooms, triple occupancy room used as a double or single occupancy room, three-person suite used as a double occupancy suite, and a two- or three-person suite used as a single-occupancy suite.

If a vacancy exists in your room/suite and the consolidation option is offered, you may choose one of the following options:

Option 1. Stay in your current room without a roommate and pay the appropriate reduced-occupancy rates.

Option 2. Find a person in a similar situation and become roommates upon approval from University Housing and New Student Programs. University Housing can also help you find a roommate.

Option 3. If you are unable to find a roommate and you don’t want Option 1, you may request that you maintain the multiple occupancy rate and welcome a new roommate if the University assigns one. This option needs to be approved by the University; contact University Housing.

University Housing reserves the right to consolidate individuals in multiple-occupancy rooms.

Options 2 and 3 must be completed by the 15th day of the quarter or within 15 days of your roommate’s departure in order to avoid automatic implementation of Option 1, retroactive to the date your roommate departed or to the beginning of the term—whichever is appropriate.

23. Changing Rooms: A room Transfer Day is offered each quarter. There are no room transfers permitted prior to Transfer Day without written approval from University Housing. On Transfer Day, requests for transfers are made through University Housing on a first-come, first-serve basis. If your request cannot be accommodated, your name will be placed on a waiting list. If you wish to transfer after Transfer Day, obtain a Transfer Request Form and approval from your residence hall coordinator of the current residence hall. After proper signatures are obtained, your request is sent to University Housing. We will try to accommodate your request, however, we can make no guarantee. At your request, you will be placed...
Meal Plan Changes:

24. Meal Plans: All students living in the residence halls are required to have a meal plan. The meal plans are pre-paid dining debit accounts that residents use to purchase their meals, food, and sundry needs at all campus dining locations and convenience stores. The cost of each meal plan includes pre-paid dining debit dollars, which are added to the account at the beginning of each quarter.

For further information regarding the meal plans, please visit our website, cwu.edu/dining.

Note: Additions or changes to the meal plans offered after this document has been printed will be sent to each student who has submitted a residence hall contract for the 2018-2019 school year.

A meal plan must be purchased every quarter. Money that remains in a student’s pre-paid dining debit account at the end of either fall or winter quarter will be rolled over and added to the meal plan pre-paid dining debit balance selected for the next quarter. At the end of the academic year (spring quarter), money that remains in the account is not refunded and is forfeited. **Dining Services is closed on holidays.**

Exemptions to the meal plan requirement may only be for verifiable medical reasons. Exemption requests and medical verification must be submitted in writing and sent to Disability Services for evaluation. A committee comprised of Disability Services, University Housing, and Dining Services will review all requests. Should an exemption be granted, a dining services cancellation charge of $300 will be assessed. Students with special dietary needs that may not be met by our dining service operation should NOT enter into this contract without consulting with Housing and Residence Life.

Students who transfer from the residence halls to campus apartments must pay a $100 overhead charge. Such transfer students must initiate a start-up dining services debit balance of $100 per quarter (or any part thereof) left on their residence hall contract. Students transferring during fall quarter must have an initial balance of $300; those transferring during winter, $200; and those during spring, $100. This mandated balance must be established prior to approval of their apartment contract and is non-refundable. The mandated balance is valid only through the end of spring quarter for the current academic year.

25. Meal Plan Changes: Students are encouraged to review use of the prepaid dining debit account each quarter to ensure they are buying the correct meal plan to meet their dietary needs. Meal plans may be changed either online at cwu.edu/housing or in person at the Connection Card Office located in the Student Union and Recreation Center, Room 131. Telephone requests will not be accepted. Changes may be made during the University's registration add/drop period only.

26. CWU Connection Cards: Campus identification cards are issued to all students and must be presented when using your prepaid dining debit account to purchase meals or snacks at any campus dining location. Should a card be lost or stolen, report it immediately to avoid its use by another individual and to arrange for replacement. Lost cards cost $35 to replace. Unauthorized use of your card by another individual is forbidden and may result in a $100 fine. (Cards cannot be borrowed.)

Connection cards showing normal wear and tear that no longer work may be replaced at no cost as long as the card is present for exchange. Damage to cards (hole punch, writing, stickers, bending, etc.) is strictly prohibited and the replacement fine will be charged.

27. Damage or Loss Fines and Cleaning Charges: Students must keep their assigned room clean and advise University staff of any necessary repairs. Following is a partial list of items for which the cost to clean, repair damages, and/or replace losses will be charged to the Student’s account ($35 minimum).
