At the inaugural meeting in November 2018, the committee brainstormed interests and topics. It was determined the agenda for the year. The committee requested presentations on the following topics:
- Student enrollment and waivers;
- Faculty promotion and tenure process, including use of Faculty 180;
- West-B exam and barriers to entering the Education profession;
- Sexual Harassment/Climate at CWU;
- Undocumented students. How are they fairing in the current immigration climate?
As a result of this agenda the committee was briefed by the following on these topics:

- Sharon O’Hare, Vice President for Enrollment Management, on student enrollment and waivers;
- Kandee Cleary, Vice President for Inclusivity and Diversity, on results of the CWU Climate Study;
- Charlene Andrews, Faculty Relations, on tenure and promotion process;
- Ron Jacobson, Executive Director, School of Education, on the West-B exam and other barriers to students entering the Education profession/major.

Each of these presentations was very informative and will be used to inform the committee’s work during the 2019-20 academic year. A list of recommendations has been developed and will be distributed to appropriate and multiple administrators. Several committee members have reached the end of their three-year appointments. HR staff will work during the summer to identify new committee members.
