CREATING A STUDY GUIDE

ORGANIZATION

SUMMARY SHEET
Divide concepts into headings and subheadings based on the organization of the class

CONCEPT MAP
Create a concept map/web to visualize relationships between concepts

INFORMATION

FLASHCARDS
Practice answering questions that are likely to be on the test

VOCAB WORDS
Confirm understanding of all new/important vocabulary and practice using them in context

READINGS
Review text thoroughly - making sure to pay attention to headings, sub-headings, and bolded words/phrases

LECTURE NOTES
Titles, bulleted items, and frequency by which a term is mentioned on slides often gives clues to importance of materials
