Actuarial Scholarship Application Form

Academic Year 2021-22

Eligibility: Actuarial science scholarships are open to students who are declared actuarial science majors and have taken at least one 400-level actuarial science course (410 A/B, 411A/B/C, 417A/B/C, 418A/B/C, 419A/B/C, 489A), or who will take one this academic year. Awards will be split over two quarters (Winter and Spring 2022).

Directions: To apply for actuarial scholarships for the academic year 2021-22, please fill out the form below. Attach a statement (one page maximum) explaining the reasons you decided to declare a major in actuarial science, your plans during the rest of your time at CWU, your future plans and goals after graduation, and how an actuarial science scholarship will help you reach those goals. Return the form and attached statement either to the Math Department office, Samuelson 208, or electronically to Dr. Temple at Kathryn.Temple@cwu.edu by 4pm on Monday, November 22. Awardees will be notified by the beginning of Winter quarter.

Name: __________________________________________________

Student ID Number: _________________________________

Address: _____________________________________________

Will you be a full-time student (at least 12 credits) in both Winter and Spring 2021? Y N
(Most scholarship funds require full-time student status.)
