Central Washington University
Assessment of Student Learning
Department and Program Report

Please enter the appropriate information concerning your student learning assessment activities for this year.

Academic Year of Report: _2012/13_ College: College of the Sciences
Department: Law and Justice Program: MS

1. **What student learning outcomes were assessed this year, and why?**
   In answering this question, please identify the specific student learning outcomes you assessed this year, reasons for assessing these outcomes, with the outcomes written in clear, measurable terms, and note how the outcomes are linked to department, college and university mission and goals.

   N/A

   Per email from Rodrigo Murataya 2/6/14:

   ....the Masters program was started the fall of 2012 and after some reflection that involved getting some student feedback, the curriculum and learning outcomes have been revised. The assessment plan has also been revised for the 2014-15 year and assessment will be submitted for that year.

2. **How were they assessed?**
   In answering these questions, please concisely describe the specific methods used in assessing student learning. Please also specify the population assessed, when the assessment took place, and the standard of mastery (criterion) against which you will compare your assessment results. If appropriate, please list survey or questionnaire response rate from total population.

   A) What methods were used?
   B) Who was assessed?
   C) When was it assessed?

   N/A

3. **What was learned?**
   In answering this question, please report results in specific qualitative or quantitative terms, with the results linked to the outcomes you assessed, and compared to the standard of mastery (criterion) you noted above. Please also include a concise interpretation or analysis of the results.

   NA

4. **What will the department or program do as a result of that information?**
   In answering this question, please note specific changes to your program as they affect student learning, and as they are related to results from the assessment process. If no changes are planned,
please describe why no changes are needed. In addition, how will the department report the results and changes to internal and external constituents (e.g., advisory groups, newsletters, forums, etc.).

NA

5. **What did the department or program do in response to last year’s assessment information?**
In answering this question, please describe any changes that have been made to improve student learning based on previous assessment results. Please also discuss any changes you have made to your assessment plan or assessment methods.

NA

6. **Questions or suggestions concerning Assessment of Student Learning at Central Washington University:**
