

CWU Department/Program Assessment Plan Preparation Form
 Department: Health, Human Performance and Nutrition
 Program: Nutrition (Graduate)

MS Family & Consumer Science (Nutrition Specialization)

Department/Program Goals	Related College Goals	Related University Goals	Method(s) of Assessment (What is the assessment?)	Who/What Assessed (population, item)	When Assessed (term, dates)	Criterion of Achievement (Expectation of how good things should be?)
1. Students will integrate scientific information into practice.	Goal 1: Provide for an outstanding academic and professional growth experience for students at all CWU locations.	Goal 1: Maintain and strengthen an outstanding academic and student life.	Research presentations; case study critiques; composition of care plans; successful completion of exams; successful completion of thesis.	Student at the completion of the assignments in classes(NUTR 540, NUTR 543, NUTR 545, NUTR 547, NUTR 700)	NUTR 700 Fall, Winter, Spring & Summer terms; Other courses Summer terms.	All student learning outcomes that use direct measures meet established criterion levels(see SLO plan)
2. Students and faculty will exhibit attributes of a nutrition professional in the areas of belief, values, attitudes and behaviors.	Goal 4: Build mutually beneficial partnerships with alumni, industry, professional groups, institutions, and the communities surrounding our campus locations.	Goal IV: Build mutually beneficial partnerships with industry, professional groups, institutions, and the communities surrounding our campus locations.	Faculty and student conference participation.	Faculty and students enrolled in any state, regional, or national conference	NUTR 700 Fall, Winter, Spring & Summer terms; Other courses Summer terms.	All faculty will attend a state, regional or national conference. At least 50% of students in the program will attend a state, regional or national conference.
3. Students will demonstrate the ability to develop and deliver information, products, and services to individuals, groups, and populations.	Goal 1: Provide for an outstanding academic and professional growth experience for students at all CWU locations.	Goal 1: Provide for an outstanding academic and student life at the University Centers.	Research presentations; case study critiques; successful completion of exams; successful completion of thesis.	Student at the completion of the assignments in classes(NUTR 540, NUTR 543, NUTR 545, NUTR 547, NUTR 700)	NUTR 700 Fall, Winter, Spring & Summer terms; Other courses Summer terms.	All student learning outcomes that use direct measures meet established criterion levels(see SLO plan)
4. Students will demonstrate the strategic application of	Goal 1: Provide for an	Goal 1: Provide for an	Research presentations; case study critiques;	Student at the completion of the assignments in	NUTR 700 Fall, Winter, Spring &	All student learning outcomes that use direct measures meet

CWU Student Learning Outcome Assessment Plan Preparation Form
 Department: Health, Human Performance and Nutrition
 Program: Nutrition (Graduate)

MS Family & Consumer Science (Nutrition Specialization)

Student Learning Outcomes (performance, knowledge, attitudes)	Related Program/ Departmental Goals	Related College Goals	Related University Goals	Method(s) of Assessment (What is the assessment?)*	Who Assessed (Students from what courses – population)**	When Assessed (term, dates) ***	Standard of Mastery/ Criterion of Achievement (How good does performance have to be?)
1. Students will be able to apply evidence-based guidelines, systematic reviews and scientific literature in the nutrition care process.	Goal 1: Students will integrate scientific information into practice.	Goal 1: Provide for an outstanding academic and professional growth experience for students at all CWU locations.	Goal 1: Provide for an outstanding academic and student life at the University Centers.	Research presentations; thesis completion	Students in NUTR 540, NUTR 543, NUTR 545, NUTR 547, NUTR 700.	NUTR 700 Fall, Winter, Spring & Summer terms; Other courses Summer terms.	90% of students will successfully complete a research presentation by obtaining a “met expectations” or “exceeded expectations” on a three point rubric for all components of the scale.(3 points include: exceeded, met or didn’t meet expectations) 90% of students will successfully complete their thesis to the satisfaction of the graduate committee.
2.Students will be able to demonstrate professional attributes such as attending a state, regional or national conference, and skills such as writing / preparing professional communications.	Goal 2: Students and faculty will exhibit attributes of a nutrition professional in the areas of belief, values, attitudes and behaviors.	Goal 4: Build mutually beneficial partnerships with alumni, industry, professional groups, institutions, and the communities surrounding our campus	Goal IV: Build mutually beneficial partnerships with industry, professional groups, institutions, and the communities surrounding our campus locations.	Attendance and presentations at conferences; completion or written research presentations.	Students in NUTR 540, NUTR 543, NUTR 545, NUTR 547.	Summer terms.	50 % of students will attend a state, regional or national conference;

3. Students will develop and demonstrate effective communications skills using oral, print, and visual formats.	Goal 4: Students will demonstrate the ability to develop and deliver information, products, and services to individuals, groups, and populations.	Goal 1: Provide for an outstanding academic and professional growth experience for students at all CWU locations.	Goal 1: Provide for an outstanding academic and student life at the University Centers.	Development of oral, written, and visual presentations.	Students in NUTR 540, NUTR 543, NUTR 545, NUTR 547.	Summer terms.	90% of students will successfully complete an oral, written, and/or visual presentation by obtaining a “met expectations” or “exceeded expectations” on a three-point rubric for all components of the scale.
4. Students will prepare and analyze quality of data and develop a plan for intervention.	Goal 4: Students will demonstrate the strategic application of principles of management, and systems in the provision of services to individuals and organizations.	Goal 1: Provide for an outstanding academic and professional growth experience for students at all CWU locations.	Goal 1: Provide for an outstanding academic and student life at the University Centers.		Students in NUTR 540, NUTR 545.	Summer terms.	90% of students will successfully complete an intervention plan in a case study critique by obtaining a “met expectations” or “exceeded expectations” on a three-point rubric for all components of the scale.

*Method(s) of assessment should include those that are both direct (tests, essays, presentations, projects) and indirect (surveys, interviews) in nature

**Data needs to be collected and differentiated by location (Ellensburg campus vs University Centers – see NWCCU standard 2.B.2)

***Timing of assessment should be identified at different transition points of program (i.e., admission, mid-point, end-of-program, post-program)
