Turnitin Quick Submit Option

If you have not used Turnitin before at CWU, you will need to create a Turnitin assignment in Canvas in order to activate your account.

Faculty can use the Quick Submit feature to check a student submission that wasn’t part of a Turnitin Canvas assignment by logging into Turnitin.com directly.

Follow these steps to use the Quick Submit feature:
1. Create a password at Turnitin.com using your CWU first.last@cwu.edu email address as the username.
2. Update User Info Settings by activating the Quick Submit feature
