Remarks

I would like to thank my advisor and mentor, Gary Weidenaar, for his constant guidance and creative instruction. Thank you also to Vijay Singh and Scott Peterson, who have been exceptionally supportive and generous with their time and coaching. Thank you to Martin Kennedy for his invaluable guidance on my compositions. Thank you to my voice instructor, Tor Blaisdell, who has helped so much with my vocal technique, as well as my approach to teaching singers. Thank you to the incredible musicians in the CWU Chamber choir, and throughout the entire music department, whose excellent musicianship and commitment to collaboration are an inspiration. Thank you to my past teachers and colleagues, who are far too numerous to name here. Thank you to my parents, Jeff and Yvonne, who first taught me to sing, and still guide me every day. Thank you to my other parents, Mike and Susan who have welcomed me into their family. Thank you especially to my beautiful and talented wife, Caitlin, who pushes, inspires, critiques, listens, and supports me every step of the way. I love you all so much, and I am honored to share this day with you.
