

Student Guide: How to Install the LockDown Browser Extension on Chromebooks

Important: This extension will only work with quizzes an instructor has enabled for use with LockDown Browser for Chromebook

1. Log into the Chromebook start Google Chrome
2. Log into Canvas and navigate to the exam that requires LockDown Browser
3. Select the link for downloading and installing LockDown Browser
4. From the Chrome web store, select “Add to Chrome” to install the LockDown Browser Extension
