DEAR STUDENTS & PARENTS,

We are pleased that you have decided to join our community. Welcome to Central Washington University.

Attending Discover Orientation will help you adjust to your new home away from home and will provide your first opportunity to experience academic and student life at Central.

During Discover Orientation, you will meet future classmates, faculty, and staff; consult with academic advisors; register for classes; get answers to questions; learn about campus activities; and tour the campus and surrounding community.

We look forward to seeing you at orientation. We are sure you will enjoy exploring all that Central has to offer.

Best wishes for an exciting first year at CWU!

Sincerely,
James L. Gaudino
President

CWU, founded in 1891, celebrates 127 years of history, memories and life-changing education. You now join the CWU family as students and parents. It is now your chance to immerse yourself in CWU’s rich traditions.

**STUDENT ALUMNI ASSOCIATION:**
The Student Alumni Association (SAA) is a group committed to celebrating the spirit and tradition of the Wildcat community. SAA offers exclusive benefits to members including a commemorative membership t-shirt. SAA collaborates to host events throughout the year with an emphasis on professional development and mentoring, as well as school pride. Visit the SAA table between 8:00 - 10:00 AM to learn more and join!

**BE A WILDCAT TRADITIONS KEEPER:**
Wildcat Traditions Keepers are alumni of the university who have fully embraced the Wildcat Way through immersion in their education, experiences, and lifestyle. These tradition keepers have demonstrated commitment, passion, and respect for the history of the University and have taken the first step towards becoming a successful alumnus. Following convocation all students will receive a copy of the Traditions Keeper book. This book will introduce students to 91 traditions that embody the CWU experience. Enrich your time at Central through participation in the traditions contained within the book’s pages. By experiencing and recording your involvement in the 1891 Traditions Challenge, you will become part of the history of Central Washington University and in turn you will leave your mark for future generations. While the book is simply a keepsake of the memories earned at CWU, the true legacy of a 1891 Traditions Challenge is in the knowledge and friendships gained while earning the title of Wildcat Traditions Keeper.

Recreation Center Open Hours
All Discover Students and guests are invited to try out our award winning Recreation Center. Come explore the opportunities. Signed WAIVERS are required for anyone using the facility.

Campus Tours
You have not seen the campus until you have seen it with one of our trained campus tour guides. They will show you the well-traveled spots on campus and relay fun facts and stories about Central.

Connection Card
Time to say cheese and come on in to get your Connection Card! This card serves as your general school identification card. It also contains your meal plan and will grant you access to CWU sporting events, the library, computer labs, and the Recreation Center. You also have an option to choose the Maxx card, which is a combination of your CWU Connection Card and U.S. Bank debit card. The Maxx card is a great option for CWU students, as U.S. Bank is the only full-service bank on campus. You can also sign your Recreation Center release form and turn it in to get a free lanyard.

Library and ARC Open House
Need a break from all the activity in the SURC? Take a walk down to the library where you can meet some of our librarians and staff. While you are there, stop into the Academic & Research Commons (ARC) on the first floor to meet the staff and learn about the services and technology that are available to you as students.

Wildcat Shop Tours
You won’t want to miss this tour. We will show you how to save money on textbooks, how to find your course materials, and explain all the services the store offers. In addition, students will receive a free CWU T-shirt. You will also be entered in a drawing to win free textbooks for fall quarter. This will be the most important money-saving session you attend at Discover Orientation and also the shortest one at 10 minutes.

Financial Aid, Scholarships & Student Employment
This session is designed for students and parents who have begun the financial aid process. Topics include student loan borrowing, navigating the MyCWU online system, budgeting your money, staying in good standing for financial aid, financial aid disbursement, contacting financial aid officers, and tips on applying next year.

Parent/Guest Information Session
Representatives from across campus will be available to talk with you and address any of your questions.

Academic Advising & Registration Info.
This session CANNOT BE MISSED. Students will receive valuable insight as to what classes are available for fall quarter, graduation requirements, the online catalog, how to use MyCWU to find all of your transfer information, how to look up classes, and how to register for classes.
**Housing and Dining**

University Housing and Dining Services are committed to providing you with a premier residential experience. Join us for this all-important session to learn about the various residence halls and how to select the right meal plan for you.

**Being a CWU Student-Athlete**

This session will provide information on how to become a participant in one of our 15 intercollegiate sport programs. This session is required for anyone planning to participate in following sports: Baseball, M/W Basketball, M/W Cross Country/Track & Field, Football, M/W Rugby, Softball, W. Soccer, and Volleyball. Parents are encouraged to attend with their student athlete.

**Disability Services Information Session**

Are you worried about how a disability will affect your academic success at CWU? Students with documented disabilities and members of their support system will receive detailed, individualized information about academic accommodations and other support services at the Disability Services (DS) session held during Discover Orientation. Contact DS for more information at 509-963-2214 or DS@cwu.edu. Stop by our offices in Hogue 126.

**MyCWU**

MyCWU is the on-line portal and primary system-of-record for student information at Central Washington University. MyCWU includes admissions, financial aid, student records, academic progress, and student financial functions. Other auxiliary systems pass transactions to MyCWU to maintain accurate student records. MyCWU is the primary source of information for students and faculty, including class schedules, registration, grades, and financial need.
